MEMORANDUM

Mr. King:

Re: Laying of Corner-stone, Bank of
Canada Building, August 10, 1937

Mr. Towers telephoned this morning to tell me that there will be two entrances in the hoarding on Wellington Street for the purposes of the ceremony on Tuesday. He has asked that you enter by the smaller one, about 10 yards west of the main entrance, where he will be awaiting you. You will recall that you are expected to arrive at 4.35 p.m.
