MEMO.

White Men with Indian Women, in fact they wished to help such. do kick about decent white trappers like the Returned had 15 miles up from here - but they did kick about single white men, not prospecting & reaching the country for fur. A person mentioned was Martin Broughton on Rapid Rv who is extending his line & building cabins - also some of the odd Whites at Riard. Poison they wished stop at once. Bounty pay - ment they want you folk to pay, same as at Teslin which was done this winter. More definite locations will be given later on but considering fur as it is the returns from this area will only allow of a decent living for the Indians in this district. Re prospectors they are all "Bunk" proof see Castle of the Cohard. SOM + ask him how much is being done? Nih. Ansell Rain + flies. will send new list Indians later Sammy + Tommy Frank of Tahltan have been taken into 1st Barnes Crowd. they are married here. Relief here much increased - had to. Long Jimmy is a Riard Indian cannot trap at Bear Lake - he must fix up down there somewhere. Hop = all's well. Thine. Harper Reed Indian Agent.
