AIR MAIL.

Assistant Inspector W.R. Lavery,  
c/o D.I.A.R.,

1. Reference your inspection of the Logs of Piper Cub CF-BUO at Calgary December 12, 1945.
2. Herewith, copy of Headquarters' wire dated December 20, 1945, which is self-explanatory.
3. The logs in question are being forwarded to Headquarters. However, it is suggested that you give Headquarters a report on the incident and inspection, particularly the time of day your inspection was carried out, and of any excuses Smith offered.
