Transfer

than two years' service will, on application, be transferred from one Superintendent's district to another on the same General Division, within thirty days from date of such application, and when so transferred will be allowed seniority on the new district to the extent of three-fourths their length of service on the said General Division. In such case the Telegrapher making the transfer will take his place on the extra list, and will have the right to file into bulletined positions as per Clause (c) hereof.

Transfer Certificate

A Telegrapher applying for a transfer will be given a transfer certificate, showing his length of service and the capacities in which he has been employed on the General Division, which will be his authority for claiming his seniority on the District to which he is transferring.

This provision will also apply to a Telegrapher of not less than two years' service, desiring to transfer from one General Division to another, except that in such cases the transfer certificate will not carry with it any seniority rights, but will entitle the holder to the position of junior extra Telegrapher on the Superintendent's district to which he is transferring.

Transfer certificates will not be valid unless filed with the Superintendent of the district to which transfer is being made within thirty days from date of issue.

Seniority

(b) A Telegrapher's seniority will date from the time he last entered the service as a Telegrapher.

Appointments New Lines

The seniority of a Telegrapher employed on lines under construction, or absorbed by the Company, will date from his last appointment as a Telegrapher on such lines. When newly constructed lines are taken over by the Operating Department all Telegraphers' positions will be considered vacant, and any Telegrapher in line of promotion to them will have fifteen days within which to make application for same.
