Union Sabbath School

S. S. No. 3, Grey Township

ABOUT the year 1873 or 1874, a Sabbath School was organized which continued for a number of years. Among those who were leaders during that time were Duncan McLaughlin, Oliver Smith, Mr. Alexander and John and Thos. Yuill. About the year 1886, on request of a number in the Section, Rev. John Ross came out and assisted in re-organizing the School. The late Thos. Strachan was the

first Superintendent and with the exception of a year or two, when E. V. Smith now (Rev.) acted as Superintendent, gave excellent service for some 12 or 13 years when he left to take up S. S. work in S. S. No. 6, Morris township. Mrs. N. M. Richardson, now of Manor, Saskatchewan, then became Superintendent and continued until her removal to the West after which the present Superintendent, P. A. McArthur, took the position. The attendance has on the whole been very good, the number on the roll at present being about 42.
