

REMEMBER "SUCCESS" THE BEST MANURE SPREADER MADE IN THE WORLD.

Some Reasons why the "Success" Has the Largest Sale:

LIGHTEST DRAFT—direct chain drive makes draft 25% less.

DRIVE CHAIN is very heavy steel pinned and not a link has ever broken.

BEATER FREING DEVICE insures easy and safe start and dispenses with the cumbersome end board.

REAR AXLE is larger than all others and one-third stronger.

GEAR AND SPROCKET keyed on axle at either end and machine drives from both ends.

ADJUSTABLE RAKE makes manure fine or coarse as desired. Will permit stones or other foreign substances to pass over the beater without causing a break.

APRON RETURN causes bottom to automatically return after load is discharged.

FOLLOW BOARD carries load against cylinder and insures even spread from start to finish.

CHANGE OF FEED made by a single movement of one lever.

STRENGTH—The "Success" is famous for durability and is strongly guaranteed.

Made in four sizes—30, 40, 50 and 70 bushels capacity.

You must buy a "Success" to get the best. It is the result of twenty-seven years' experience of the oldest and largest makers of manure spreaders in the world.

MANUFACTURED BY

The Paris Plow Company, Limited, Paris, Ont.

EASTERN AGENTS:

THE FROST & WOOD CO., Limited, MONTREAL, QUEBEC, St. JOHN, TRURO.

Fit up your stables with our
