THE ROOF GETS THE
WORST OF IT.

There's no shelter for it. It shelters the rest from the elements.

That's why you need the very best shingles, no matter where else you stint.

Eastlake
SHINGLES

are absolutely fire, lightning, rust and leak proof, and easy to apply.

They've long since been proved the most reliable, perfect and longest-lasting kind you can find. Try them.

DR. BARNARDO'S HOMES.
The managers of these institutions invite applications from farmers and others for the boys and youths who are being sent out periodically from their English training-homes. The older boys remain for a period of one year at the Farm Home at Busset, during which time they receive practical instruction in general farm work before being placed in situations. Boys from eleven to thirteen are placed in the distributing homes in Winnipeg. Applications for younger boys should be addressed to the Secretary, 115 Pacific Avenue, Winnipeg, or P.O. Box 206, and for older boys, possessing experience in farm work, to Manager, Dr. Barnardo's Farm Home, Barnardo, Man.
