

The Only Roofing With A Lightning Guarantee

THOUSANDS OF DOLLARS LOST

Thousands of dollars are lost each year through lightning. Yet the farmers of Canada need never lose another cent from this cause if they will roof their buildings with PRESTON Safe-Lock Shingles—the ONLY roofing GUARANTEED proof against lightning.

We don't charge you a cent for this lightning guarantee. It's absolutely free. Yet no other guarantee actually means as much to the Canadian farmer as this.

With a PRESTON Shingled roof your barn is SAFE, no matter how severe the electrical storm. You can look out of your window and see barns burning on other farms, yet feel absolutely secure about your own PRESTON Shingled barn, and the horses and cattle, the machinery and crops stored within it.

We could not afford to give this Free Lightning Guarantee did we not know the superior lasting qualities of PRESTON Shingles. If a PRESTON roof were likely to wear out in a few years, it would not be proof against lightning.

PRESTON Safe-Lock Shingles are made and galvanized according to British Government Specifications—the only shingles that are.

The British Government, you know, is the most particular buyer in the world. Ordinary metal shingles could not pass their Acid Test for galvanizing.

This test is more severe on the galvanizing than twenty years of Canadian weather. Yet PRESTON Shingles will pass this test.

Shingles galvanized according to these Specifications are good for twice the service of shingles galvanized in the ordinary way. That is why we can safely give you our Lightning Guarantee.

You don't get a Free Lightning Guarantee with other shingles. Neither do you get shingles SAFE-LOCKED on all FOUR sides. Nor shingles with the nailing fully protected against the weather. Nor shingles made according to British Government Specifications. Nor shingles so easy to lay.

But we cannot tell you in this space all the superior features about PRESTON Safe-Lock Shingles or give other roofing information of vital interest to you. So we've issued a new booklet, "Truth About Roofing."

We should charge something for this booklet, as it contains information of real value to anyone who has a building to roof. But we will send it FREE as a reward to all who cut out, fill in and mail the coupon to us.

Just you send the coupon today.

SEED PEAS

Being one of the largest growers of seed peas in Canada, I am desirous of placing seed in good pea-growing sections free from "weevil" or "pea bug." I supply the seed and contract with farmers for the product, deducting the seed supplied when crop is delivered.

Prefer growing in places where a carload of seed could be placed.
