

Mr. Givvin; and that all the members of the society who can conveniently attend on that occasion be present thereat,—each calling to mind these consoling words,—"It is a holy and wholesome thought to pray for the dead that they may be loosed from their sins."

Copies of these resolutions shall be published in the Catholic Register and CATHOLIC RECORD.

D. MURRAY, Pres.
E. BUCKELL, Sec. Treas.

Toronto, Oct. 8, 1901.

It is beyond dispute that all which seems evil in our lives finds its source in the heart.

IN his latest story "But Thy Love Is True Grace," Father Finn L. O'Connell has his first long tale for adults. A new departure for this popular writer is that it displays the same characteristic features that distinguish his tale stories: human interest, and personalities. The heroine, Regina, is a selfless devotion to a dying man, so real that one question which arises is a creature of the imagination, really in these pages, her dramatic gestures of mind and body in itself more and more on the story progression. The treasure hunt, which is the principal of the tale, must be found out, the book if you want a tale of a tale full of human interest, the book is required.
