ONTARIO MUTUAL

Life Assurance Co., HEAD OFFICE, WATERLOO, ONT. DOMINION DEPOSIT, \$100,000.00.

ASSETS, -1883, - - - \$533,705. RESERVE, - - - \$485,554.04. SURPLUS, - - - \$43,761.95.

HON. DIRECTORS: FORNOVA SCOTIA, P.E. ISLAND, AND NEWFOUNDLAND.

HON. S. L. SHANNON, Halifax. HON. JAMES YEO, M.P.E., Port Hill, P. E. Island. WM. H. WEBB, Esq., (Brown & Webb), Halifax. ANGUS McMILLAN, Esq., Summerside, P. E. Island. JAIKUS HART, Esq., Halifax. WM. CROWE, Esq., Halifax.

The history of the ONTARIO MUTUAL LIFE has been from the beginning of the Company up to the present time, a record of success, alike creditable to its founders, its board of directors, its officers, its agents, and a discerning public.

Success begets Success. The growth of the Company has been rapid, healthy and constant, showing in each year since its establishment:-

in membership; in premium receipts; in interest receipts; in surplus for distribution; and in ready convertible cash assets.

The object of all connected with its affairs has been to make it one of the best, the most substantial, and enduring Companies of its kind. That success has so far attended their efforts, the present admittedly high financial standing of the Company abundantly proves.

Its income has advanced from \$9,668 99 in 1879, to \$190,182 60 in 1883, and its assets from \$216,000 to \$533,705 00. The number of Policies issued for the first four months of 1883 was 312, for a total amount of \$428,100. And for the same period in 1884 - Policies issued 503, for a total amount of \$532,790, being a gain of 181 Policies and \$304,690 in amount.

These facts speak for themselves and should induce all intending insurers to pause and weigh well the record and result of this Popular Company before coming to a final decision.

The thirty-four death and endowment claims maturing in 1883, were paid upon an average of one-fourth of a day from the completion of the claim papers and there did not stand on the books of the Company at the close of the year, any claim disputed or contested.

Prognosticating in settling claims as well as Equity and Liberality mark the whole history of the ONTARIO MUTUAL LIFE. Ministers will do well to apply to the undersigned for special information before placing their risks in other Companies.

STOP AND THINK before you buy all the extensively advertised nostrums of the day which have made us gullible, and have nothing to commend them to the public, but also raise the vendors, who instead of manufacturing an article of worth, which would cost money, give to agents immense profit to ensure their sale, and the sick who have been induced to try them, only find out when too late that they are really no better, and often worse than before using them, than in the meantime the proprietors have CAREFULLY

laid away a fortune, and in a short time the very same disease is seen or heard. Gates' Life of Man Bitters may be relied on as a medicine of great merit, and has made some of the most remarkable cures ever known, and has never been introduced into any locality where it has not given evidence of great value to the suffering sick.

Hundreds of cures have been made in the purchases with this medicine, in connection with the Investigating Bureau, and hundreds of certificates from good citizens, and the clergy, many of which are under oath, can not fail to convince the most skeptical of their great curative properties.

DON'T BE DECEIVED use the medicines that have been tested for over forty years, and will cure my cure. Be positive and use of their power to cure, that we offer reward of \$100 for a case that will not cure on 10th, and \$500 for a false statement made by us of any certificate of cure this medicine has not accomplished. Sold everywhere at 60 cents per bottle 12 bottles for \$6.00. Manufactured by D. Gates, South Middleton, N.Y.
