

J. H. Earl, West Shefford, P. Q., writes:—I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Electric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horse in case of cuts, wounds, &c., and I think it equally as good for horse as for man.

**RHEUMATISM.**—This painful disease that so often cripples for life, arises from poison circulating in the blood, and often from an excess of acid. Inflammation is developed in the muscles, ligaments and joints, by colds, damp clothing, etc. Liniments are serviceable to relieve; among many, Hagar's Yellow Oil is preferable. To eradicate the rheumatic poison from the system, nothing can surpass Burdock Blood Bitters.

A simple herb found on the sunny plains of a Southern clime has, under the skillful manipulation of **Dr. Van Buren**, proved one of the greatest blessings ever sent to suffering humanity. **Dr. Van Buren's Kidney Cure** is acknowledged all the world over as the only perfect remedy for kidney troubles. We make this liberal offer because we desire to give a present sufficiently large to induce every one to give Dobbin's Electric Soap a trial long enough to know just how good it is. If, after trial, they continue to use the soap for years, we shall be repaid. If they only use the fifteen bars, getting the dollar's worth of music gratis, we shall lose money. This shows our confidence. The Soap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper. Name this paper. A box of this Soap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Foggy, can select music to the amount of \$4.50. This Soap improves with age, and you are not asked to buy a useless article, but one you use every week.

NEW INVENTION. GARRISON'S

ARTISTIC BAY WINDOW

Or Common Windows Changed to Bay Windows. New in Theory, New in Principle, New in Application. The Latest Architectural Idea. Universally Endorsed. Exceedingly Popular, and Selling Rapidly.

THIS great building improvement is becoming very popular wherever introduced. It adds greatly to the comfort and appearance of new buildings, and makes old buildings have the appearance of modern ones. Is very ornamental. Makes rooms cooler in summer and warmer in winter. Creates a circulation of the air and keeps the heat of the sun from the room. The old blinds are used as part of the improvement. No change made in the regular wages, will find it just the thing. Parties with Means looking for a business that pays largely can purchase 10 to 20 counties and sell out by counties to carpenters and builders or realize a steady income from royalty. I employ no Agents but sell territory in quantities at low prices, so that the profits are very large, in some cases exceeding \$500 per month. I furnish models and drawings to purchasers and give full instructions. It is not necessary to be a carpenter to sell territory. Send stamp for circulars, engravings and terms. I make easy terms with carpenters on first county to introduce it. No postals answered. Canada for sale (patented March 6, 1882). I refer to the proprietor of this paper and to the leading merchants of Cedar Falls, Iowa. Address with stamp.

**W. S. GARRISON, Patentee, Cedar Falls, Iowa.**  
HAVING acquired the sole Patent right (patented in Canada, March 6th, 1882) from Mr. W. S. Garrison, for all the counties west of Ontario, in the Province of Ontario, I am prepared to dispose of the same to Builders, Carpenters, or parties with moderate capital, who will find large returns by the purchase of the rights for one or more counties. Communications, enclosing stamped envelope for reply, addressed to **FRANK WOOTTEN, P.O. Box 2640, or 11 York Chambers, Toronto St., Toronto,** will receive prompt attention.

I give something that sells for that money readily.
