OUTLINES OF THE LIFE OF CHRIST.

With Large New Map of Palestine.
By Professor W. SANDAY, D.D., Oxford
Post 8vo. Price \$1.25 net.

All interested in Theology will be glad to have Dr. Sanday's article, "Jesus Christ," which was originally prepared for Hastings' "Dictionary of the Bible," in this convenient form. The "Guardian" said that this treatise would "take rank as of the first importance for students of theology"; and another leading Review stated that "Dr. Sanday could have printed this article in a half-guinea volume, and we should all have had to buy it." Here, then, is the article, revised throughout; divided into chapters and sections; with an important new map of Palestine added; and issued in handsome form, for less than half that amount. Sent post paid.

UPPER CANADA TRACT SOCIETY
