

FOREST HOME CLYDESDALES

Our offering of one, two and three-year-old Clydesdale fillies is of a different class to what usually comes to Canada. They are large and full of quality, exceptionally well bred, three by Baron's Pride; not a plain bred one in the lot. A splendid pair of stallions, two and three years. Intending purchasers should see this lot before investing. Carman, C. P. R., C. N. R., G. N. R.; Roland, C. N. R. and G. N. R. Telephone Carman Exchange

GOLDEN WEST STOCK FARM

TROJAN (imp.), Grand Champion, Dominion Exhibition, Calgary, 1908:

Our new offerings of Clydesdale Stallions is bigger and better than ever. We have them at all ages and prices ranging from \$500 up. They are imported and home-bred, sired by such noted sires as Baron's Pride, Everlasting, Acme, Labori, Baron's Gem, Baron Kerr and others. We also have some very fine Mares and Fillies for sale.

Our Clydesdales are all of the heavy draft type.

Trojan, grand champion at the Dominion Exhibition at Calgary in 1908, is heading at present our stud. Visitors always welcome and will be met by our rig if notified a few days ahead at Balgonie (Station on C.P.R. main line, 16 miles east of Regina).

THE OLDEST IMPORTER IN MANITOBA AND THE LARGEST IN CANADA

Three (3) importations made since January, 1909, and the last to hand on November 1st, totalling 23 head of stallions and mares.

If you are in the market to buy, don't miss seeing my stock before closing any deal; can give you the best Scotland produces or an equally well-bred horse at a small price. Have a selection to suit all buyers.

I have such crack show horses on hand as the following: Arnot's Heir, by Hiawatha that stood reserve for the Bridon Shield in 1907, besides winning many other first prizes; Lord Guthrie that as a 3-year-old was first in his class, and champion at the Royal Northern Aberdeen, besides other winnings to his credit; Silver King that was 1st as a yearling, 2, 3, and 4-year-old at Dublin and Belfast.

Will be pleased to have you inspect my stock whether you buy or not.

27. It shall be the duty of the commissioners to reserve space in elevators operated by them sufficient for the storage of grain that may be offered for sale on street, and the commissioners may lease all or any space upon such terms as to the commissioners shall seem reasonable to any person or persons desiring to purchase such grain. Save a modified by such lease such lessees shall possess the same rights and be subject to the same regulations as shall belong to or govern an individual shipper.

28. (1) It shall be the duty of the operator in charge of each elevator operated by the commissioners to obtain from each wagon load of grain before it has been binned, a sample thereof not less than one pound in weight for each fifty bushels, or part of fifty bushels in such load; to place and secure under seal such sample in a suitable receptacle marked for identification which shall be retained in the elevator for a period not less than three weeks and to forward under seal an identified sample of the same, when requested so to do by the owner of the grain to the office of the commissioners where it shall be shown by the commissioners to prospective purchasers. Where a purchaser buys in quantities not less than carload units, upon the basis of such sample, the commissioners shall deliver on track to his order the grain represented thereby. It shall be the duty of the commissioners to provide a room suitable for the purpose in which to exhibit said samples.

(2) The operator of an elevator operated by the commissioners shall keep accurate record of the amount and kind of grain loaded into cars from such elevator, on forms and in the manner prescribed by the commissioners.

(3) The commissioners may forward grain stored in elevators operated by them to terminal elevators to be binned with grain of the same grade, and the owner of grain in any elevator operated by the commissioners may have the same forwarded for grading by the Dominion grain inspector.

29. It shall be the duty of the commissioners wherever practicable to equip elevators operated by them with machinery for cleaning grain, and all grain shall be cleaned and binned under the direction of the owner.

ACCOUNTS, AUDITS AND REPORTS.

30. (1) The commissioners shall keep separate accounts of all moneys borrowed, received and expended by them under the authority of this act, and shall account for the same annually to the governor in council in such manner and form as he sees fit to direct. They shall also make and keep or record minutes in writing of the proceedings of all meetings held by them.

(2) The commissioners shall prepare an annual report of their proceedings and an account of all moneys received and expended during the preceding year.

(3) In the first month in each quarter of every year the commissioners shall report in writing to the governor in council the state of the elevator returns, with the amount of grain stored in elevators operated by the commissioners during the preceding quarter and the earnings of each elevator in respect thereof.

All reports prepared under this act shall be laid before the legislative assembly, if then in session and actually sitting, or within five days after the commencement of the session then next ensuing.

31. The accounts of the commissioners in respect of receipts and expenditures shall be subject to examination and audit by the provincial auditor in the same manner as is provided by the treasury department act with respect to the accounts of receipts and expenditures of public money.

BY-LAWS.

32. The commissioners may, from time to time, make by-laws not contrary to law nor to the provisions of this act, for all or any of the subjects or matters hereinafter mentioned:

(a) For fixing the tolls, rates and charges for the storage or warehousing of grain in elevators operated by the commissioners under section 23 hereof.

(b) For regulating the receiving,

The W. A. Jenkins Mfg. Co., London, Ont.

A Baltimore school teacher had encountered such a degree of ignorance on the part of one of her boys in relation to the recorded acts of the Father of His Country that she grew sarcastic.

"I wonder," she began "if you could tell me whether George Washington was a sailor or a soldier?"

The boy grinned. "He was a soldier, all right," he said.

"How do you know?" the teacher challenged.

"Because I saw a picture of him crossing the Delaware. Any sailor would know enough not to stand up in a boat."—Shipping Illustration.
