

ness council next year. Let the good work go on.

The *Post Intelligencer* of a recent date, attempts to throw some light on the means employed by Florian Waldeck to escape justice. I am not sufficiently posted on the circumstances surrounding Waldeck's sudden disappearance from this city while the city authorities were looking for him; but I know enough to force me to the conclusion that the matter should be thoroughly investigated. I believe the law is very plain on the point of punishing individuals who conspire to defeat justice.
