There are likely to be several amendments made to the Ontario Liquor Act. The changes are designed to add considerably to the powers of officials in enforcing the law. It is proposed to reinstate the "Indian List" clauses, so that persons designated as addicted to the too frequent use of liquor in their houses. Express companies must keep records of their deliveries, which will be subject to inspection by officers. Standard hotels are to be relieved of business tax for 1917-18. "Blind piggers" will not be allowed to import liquors.

A Silver Casket.

No more daring hocus-pocus has ever been enacted and exposed to shame and ridicule since the day Daniel showed up the God Bel and the trickery which surrounded him in the city of Babylon than that of which the central figures have been the wife of the Czar of Russia, her young son and the monk Gregory Rasputin. We give this astounding story as it is told without vouching for it. The monk, an altogether unscrupulous, immoral man, sought temporal power through his pretended power as a representative of God. But behind this balanced, reckless monk there lay a guiding hand. A hand that sees little to chance, and which is not to be misled. In the palace of the Czar, Gregory Rasputin had secured a position as a lady-in-waiting on the Czarina, a lady of German birth. This lady was in danger of losing her position with the Czarina, and Gregory Rasputin, in order to secure for himself a dominant position in the court, which he could not otherwise have attained, decided to play a game. The little game which Gregory Rasputin played was that of the Czarina's son, the young Czar, who was a weakling, and Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend. Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend. Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend.

The pro-German cabinet was built up in Russia, the German government actually controlling the appointments. Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend. Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend. Gregory Rasputin, by his cunning, managed to get the Czar's son to become his friend.

Americans Moving In

A recent Winnipeg press dispatch has shown that immigration into Canada is increasing. More and more Americans are moving into Canada. More and more Americans are moving into Canada. More and more Americans are moving into Canada.

The Manitoba Government of the Legislative Assembly has passed a bill providing that no person shall drive a motor vehicle without a driver's permit. This will enable a record of every person driving a motor in Ontario to be kept and his permit to be cancelled when he deserves it. Under previous conditions there was no way of keeping reckless drivers out of cars unless they were kept imprisoned.

In the Spring Is It a Cough?

Ontario Women's Advice.

Hamilton, Ont.—"I am a great believer in Dr. Pierce's medicines. I am speaking from the actual use of them and the great benefit I have derived therefrom. Shortly after my marriage I began ailing, and a very bad cough and goitre very thin was run down. My people thought I was going into a decline. They got Dr. Pierce's 'Golden Medical Discovery' and this medicine completely cured me."—Mrs. ADELIA HIBBARD, 26 Cheever St., Kilbride, Ont.—"When I was only eleven months old my mother procured 'Golden Medical Discovery' for me. I have taken it several times myself since and about one year ago I gave it to my two children. They recovered very quickly with no bad results, after taking one bottle. I have recommended it to quite a number of late."—Mrs. W. J. SIMKINS, Kilbride, Ont.

The best time to cure a cough is when it starts. Ordinarily, a few doses of Dr. Pierce's Golden Medical Discovery will cure a cough at the beginning. But even when the cough is deep-seated and the body is wasted by enervation, Dr. Pierce's Golden Medical Discovery will in most cases effect a permanent cure.

Get it to-day from any medicine dealer; it is a powerful blood purifier, so penetrating that it even gets at the impure deposits in the joints and carries them out of the system.

Remember it is not a patent medicine for its ingredients are printed on the wrapper. It's a pure glyceric extract of roots, made without alcohol.

Depend upon this grand remedy to give you the kind of blood that makes the skin clear and puts ambition and energy into the entire body. You will not be disappointed. For free advice, write Dr. V. M. Pierce, Buffalo, N. Y. This package tablets 10 cents.
