## When The Pain Catches You in the Back

it makes you stop work in short order. Why don't you take GIN PILLS and stop the pain?

A lame, weak or aching back—sharp, shooting pains through the small of the back and hips—mean that there is something wrong with the Kidneys. The urine proves that there is trouble, too. Constant desires especially at night-high color-and sometimes hot, scalding pain—show that the Kidneys need help, and quickly.

Men, who work hard -who often strain the back by heavy lifting -suffer tortures with the Kidneys. If your back has been troubling vou-if work seems too hard-if you are losing your appetite and don't rest well at night-if you are run down begin right now to take

Gin Pills.

They will cure you of every trace of Kidney and Bladder trouble-and also build up the whole system. Send for a free sample box at once and try Gin Pills. They will do you so much good that you will gladly purchase the regular size boxes and continue taking them until completely cured. In order to show our faith in Gin Pills we make you this offer-if, after taking one box and it does not help you or six boxes and they do not cure, just take the empty boxes to the druggist and he will refund your money-or let us know and we will. The charge \$37,000, but which afterwards turned rom the recent P.W.A. and U.M.W. legal battle. The information was Pacific Railway Company's customs laid before Stipendiary Hart of Glace Bay and the warrant was issued and executed Saturday evening.

The information is based upon an ofldavit made by Mr. Moffatt in opposing the motion to continue an injuncion granted in the suit of Sutherland et al v. the Grand Council of the P. W. A. The charges n this affidavit are that the defendant made several allegations not in accordance with facts and the information and warrant charged perjury with intent to defeat the application for the injunction.

# FACTORIES HAD TO SUSPEND FOR DAY

Engineer Hunter told a reporter for The Sun last evening that the break David and Erin streets was all repaired. The break occurred in the morning between 5 and 6 c'clock and was in the main pipe. A number of men were immediately put to work repairing the break and the water was running again at 2 o'clock.

The break in the main was the cause of great inconvenience to residents of the vicinity. Simms' brush factory and the factory of the Welcome Soap Company are near the scene of the break and on account of he absence of water were compelled o suspend operations for the cay. This gave a holiday to scores of men. Both factories will again be in operation this morning.
