ALEXANDRA SCHOOL

### A Short History of the Alexandra School, Some of Whose Pupils are Shown Here.

**A**LEXANDRA SCHOOL, situated at the corner of Darling and Peel streets, used to be known as the old East Ward School. It was remodelled some nine years ago and now contains twelve spacious rooms and a kindergarten. The school roll contains the names of some 600 pupils, and there are fourteen teachers. Mr. W. E. Foster, the Principal, came to Brantford from Guelph in 1908. He started teaching when quite a young man, having charge of a county school in South Simcoe. Later on he was in Barrie eight years as principal, then at Merriton in a like capacity for about four years, a few months in Guelph and then here. Mr. Foster has demonstrated in a marked degree the qualities which make for a successful discharge of his duties, and he has very able associates in Miss Bunnell, Mr. Woltz, Miss Gotherpe, Miss Howden, Miss Grace, Miss Bell, Miss Morice, Miss Holtermann, Miss Hunt, Miss Stedman, Miss Ritchie, Miss Wilson and Miss Elsie Senn.

There is a strong cadet corps in the school, and they drill every Friday afternoon and oftentimes after school at nights. They have ranked well in the shooting, winning first prize last year and this—Lloyd Colquhoun and Hugh Sisson. On Friday afternoon when the boys are drilling the girls do knitting and calisthenics.

The offices at the school are exceptionally fine. There is a large rest room for the lady teachers, and the principal's office is the best in the city, and for that matter probably in the Province.
