Business Address.

CHAPTER LX. arthur Mandel had not been oblivious that, ever since Ruth's return the West, something had been ing her. While her work had well done, every time she was

"She's not happy with him," he said to himself, "him" of course meaning Brian. "Fool, not to know the value of such a woman." And in

considered as a living for a woman kett. While she never had given him any idea that Brian could not take decent care of her, he recalled that decent care of her, he recalled that as soon as he had raised her salary she had moved. Moved to a better address. That looked as if before they could afford nothing better than the place they had lived. He had the street and number, for when Ruth came to them, she had given it as her home address. So one day he walked past. His fastidious taste was nuite shocked at the locality. Curiher home address. So one day he walked past. His fastidious taste was quite shocked at the locality. Curious, he had asked to see an apartment. He had been shown the one "formerly occupied by Mr. Hackett, a young lawyer," so the voluble superintendent told him. He was then still more shocked. The snzzll, dingy, inartistic rooms must have been a constant torture to Ruth. He shuddered as he thought of her in such surroundings.

"Why don't you go down and surroundings."

"Why don't you go down and ally. There are some very interesting and very good restaurants in his for me," he muttered when he reach
"To good, by far, for such a fellow."

"Matter undings to minister. He had simply said he would call again.

He looked at Ruth that afternoon with a different feeling than he had a deckhand that she wanted to see the captain when the boat reached with a different feeling than he had a deckhand that she wanted to see the captain when the boat reached with a different feeling than he had a deckhand that she wanted to see the captain when the captain came the woman grain with a different feeling than he had a deckhand that she wanted to see the captain when the captain came the woman desk room in some other man's office. That was the way he thought of Brian. "That fellow."

"Why don't you go down and ally. There are some very interesting and very good restaurants in his the world is the woman." Too good, by far, for such a fellow."

"Too good, by far, for such a fellow."

"Too good, by far, for such a fellow."

"Matter with them?" echoed the woman. "Don't you see that they're

Arthur Mandel Investigates Brian's ed the street. Then straightway locality. Or doesn't he lunch at the Business Address.

THE WIFE

BY JANE PHELPS, AUTHOR OF "MARGARET GARRETTS" HUS-BAND," AND OTHER NOTABLE STORIES.

"The beggar can't have too much for her, when he takes that girl of his such a woman." And an independent on side at that Brian could not take event care of her, he recalled that

"The beggar can't have too much for her, when he takes that girl of his to the smartest places in New York to dine," he said aloud as he walked along. Arthur Mandel knew his New York. He knew what the simplest repast cost in certain places, the very places he had seen Brian, and he also knew a young lawyer could not afford to patronize them ny idea that Brian could not take event care of her, he recalled that

"I wonder what kind of an office of the salary of the salary that they should not afford to patronize them only idea that Brian could not take event care of her, he recalled that

"I wonder what kind of an office of the salary of the side, coupled with incressant micely situated, looking prosperous his surroundings what they should not ake surroundings what they should wait a while before advancing her salary. But if, as he suspected, he was scraping along on thin ice, spending what he salary in the very places in New York. He knew what the simplest repast cost in certain places, the was promised that it is to the side, coupled with incressant micely situated, looking prosperous—his surroundings what they should be, etc.—he would wait a while before advancing her salary. But if, as he suspected, he was scraping along on thin ice, spending what he surroundings what they should be, etc.—he would wait a while before advancing her salary. But if, as he suspected, he was scraping along on thin ice, spending what he suspected, he was scraping as he suspected, he was scraping along on thin ice, spending what he suspected, he was scraping along on thin ice, spending what he suspected, he was scraping along on thin ice, spending what he suspected, he was scraping as he suspected, he was scraping along on thin ice, spending what he will demonstrate the walk is it made of?"

"Wood, ma'am," he replied with the was surre bis surroundings wha

enough; if she could gratify her simple desires with what he gave her?

Brian, he eliminated entirely. What he earned must, at the best, be a negligible quantity, else he would not have taken his bride to such a poor home. Especially a came home that night.

"Yes, between one and two, and I have, and I have often thought I would go down and lunch with him. We were talking about it only the other day."

"Then why didn't you trade only on alternate days?"

"I tried that I seemed to win every second day?"

"Then why didn't you trade only on alternate days?"

To start the scheme on the wrong day."

would not have taken his bride to such a poor home. Especially a bride who had been accustomed to such a poor home. Especially a bride who had been accustomed to such a poor home. Then he curiosity that actuated Arthur Mandel, when he hunted up Brian's office at half past one the day he had dead to himself, "him" of course and to him midely structed, looking prosperous—for her, when he takes that girl of the little episode as soon as he came home that night.

It had not been really only idle curiosity that actuated Arthur Mandel, when he hunted up Brian's office at half past one the day he had questioned Ruth. If he found him nicely situated, looking prosperous—for her, when he takes that girl of the little episode as soon as he came home that night.

Mothers!

If its liver's full of bile. Cascarets set things right
When kiddies' tongues turn white.
They bring relief and joy
To constipated girl or boy.
Children think them dandy— They are mild cathartic candy.

NOTICE!

The Bank of British North America AMALGAMATED WITH

The Bank of Montreal

TO OUR CUSTOMERS, PATRONS AND THE PUBLIC:

It was the intention to keep the office of the Bank of British North America open for an indefinite period, but owing to shortage of staff and war conditions, it was found necessary to close the Branch on Saturday, and the business has been transferred to The Bank of Montreal, Market Street.

Our customers are respectfully invited to continue their association with the Amalgamated Banks, whose solidity is unquestioned, and where every facility and service consistent with sound banking is at their disposal.
