## A Flourishing Institution

Over twenty-one years ago the Canadian Order of Foresters began doing business in the Province of Ontario, and in later years it has been enlarging its operations until now it has branches in every Province in the Dominion, having at the present time upwards of 43,000 members. During those years upwards of \$2,450,000 has been paid to the members and their dependents and at end of August last it had over \$1,082,000 of a reserve fund in its insurance department. The fees payable by policy holders from which their surplus has been saved, after paying all death claims, are as follows, payable monthly in advance.

Between the age of	On \$500	On \$1000	On \$1500	On \$2000
18 to 25	.35	.60	.80	\$1.20
25 to 30	.40	.65	.85	1.30
30 to 35	.45	.70	1.05	1.40
35 to 40	.50	.85	1.25	1.70
40 to 45	.55	1.00	1.50	2.00

All the money received from the monthly insurance fees is placed into the Insurance Fund, and a portion of this fund or the interest accruing therefrom can be used for any purpose whatever other than the liquidation of death claim certificates. Not a fraction can be used for managing expenses.

The surplus funds are all invested in the Dominion of Canada, in the best class of securities, or on deposit in the best monetary institutions in Canada.

The operations of the society being confined to Canada, the death rate is very low, being for 1899 only 4.43 per 1000 of the membership, in 1900 only 4.88 and the average death rate since the organization of the society, only 4.93 per annum per 1000 of the membership.

A Sick and Funeral benefit department is also conducted by the order, which is an optional feature, in which upwards of 22,000 of the members are enrolled. The benefits are \$3.00 per week for the first two weeks illness, and \$5.00 per week for the following ten weeks, altogether \$56.00 in any one year, and a funeral benefit of \$30.00. In case of continued illness \$56.00 is paid each year.

The fees for the same payable monthly in advance, are as follows: Between 18 and 25 years. 25 cents  
" 25 and 30 years. 30 cents  
" 30 and 35 years. 35 cents  
" 35 and 40 years. 40 cents  
" 40 and 45 years. 45 cents

All physically and morally qualified males, between 18 and 45 years of age, who are not debarred on account of occupation, are accepted for membership.

For further information enquire of any of the officers or members of the Order, or address:

Thos. White, High Secretary, Brantford, Ont.; R. Elliott, H. C. R., Ingersoll, Ont., or Ernest Gartung, S. O., Brantford, Ont.

## NOTHING LIKE GOOD EEPULATION.

To have a good reputation in business goes a long way toward success. When the Family Herald and Weekly Star, of Montreal, with their reputation for doing things right, announce to the public that they are issuing portraits of the King and Queen to their subscribers, the public will be satisfied that their picture is the best obtainable, and will wait for it. The public will not be disappointed, either.

The Family Herald's portraits of the King and Queen are each 18 x 24 inches, and are truly a beautiful pair. They have also a third picture of the Duchess of Devonshire, in top rich colors, 22 x 28 inches, which is regarded as a perfect gem. All three pictures are to be given free to all yearly subscribers.

## WEDDING BELLS

Jacques-Palmer

On the evening of October 30th, the Aylesford Baptist Church was the scene of a very pretty wedding, when Miss Clara Mabel, eldest daughter of Mr. Joseph Palmer of Auburn, was united in marriage to Mr. George Jacques of Sydney. The church was tastefully decorated with ferns and potted plants. The ceremony was performed by Rev. A. S. Lewis. Miss Addie Bishop presided at the organ. The bride was becomingly attired in a gown of white organdie and lace, with the usual veil caught with orange blossoms and carried a bouquet of white roses. She was attended by Miss Ethel Eaton, who wore white muslin over blue, with chiffon fichu and carried a bouquet of pink roses. Little Miss Maggie Read, who was flower girl, wore white with blue trimmings and carried an exquisite bunch of pink and white carnations. Mr. Chas. Zwicker of Halifax, was best man. Mr. Waldo Palmer, brother of the bride, and Mr. John MacIntyre were ushers.

Following the church ceremony a reception was held at the home of the bride's parents, where music was furnished by the band. Next day Mr. and Mrs. Jacques left for Halifax, en route to their future home in Sydney. The bride's going away gown was grey broadcloth with hat to match. Mrs. Jacques was the recipient of many valuable and useful presents, including a piano from her father. The groom's gift to the bride was a handsome oak bookcase and writing desk; to the bridesmaid a crescent brooch set with pearls; to the flower girl a ring set with pearls and turquoise and to the best man a scarf pin set with pearls.

A LONG RECORD OF SUCCESS in curing cuts, burns and bruises, as well as all bowel complaints, is held by Pain-Killer—over 60 years. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. 25c. and 50c.

Dear Sirs,—I was for seven years a sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BAL-SAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble.
