

**AN INVITATION TO SICKNESS
Impure Blood Means a Break-Down in Your Health**

Impure blood is an invitation to sickness. The blood is at work day and night to maintain the health, and any lack of strength or purity in the blood is a weakness in the defense against disease. Anaemia is the doctor's name for lack of blood. There may be an actual loss in the quantity of the blood, or one or more of its constituents may be lacking. Its surest symptom is pallor. Anaemia is particularly common in young girls. It is not, however, confined to them alone, for it is this same lack of blood that prevents full recovery after la grippe, fevers, malaria and operations. It is also present in old age and in persons who have been under unusual mental or physical strain. If you are suffering from this trouble take Dr. Williams' Pink Pills for Pale People. They make pure new blood with every dose and this new blood means health and strength. Thousands have proved the truth of these statements, among them Mrs. John Hyatt, Metiskow, Alta., who says:—"About a year ago I was in a badly run down condition, my blood was watery, I was very nervous, slept badly at night; suffered from frequent headaches and found my household an almost intolerable burden, my appetite was poor, and I did not seem to assimilate the food I took, altogether my condition seemed serious. As there was no doctor in our neighborhood I decided to give Dr. Williams' Pink Pills a trial, and I have much cause to be thankful that I did so, as in a few weeks I could feel a great change for the better. I continued the use of the pills for some longer, and found a complete cure. I feel better than I have for years and can therefore cheerfully recommend Dr. Williams' Pink Pills to all who are weak and run down."

You can get these pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Canadians in the Thick of Fighting on Western Front

Ottawa, March 5—Indications that the Third Canadian Division at the front has been in another fight are furnished by cables received at the Department of Militia. In the action on March 1st, in which Lieutenant Colonel Becket was killed, there were losses affecting Ontario battalions, but they were not heavy. A number of officers besides Colonel Becket are believed to have gone, but the lists will be forwarded through the usual channel of the Record Office.

Toronto, March 5—The special correspondent of the Evening Telegram cabled today from London as follows:

Once again, after months of routine warfare, the Canadians have been in heavy fighting, the heaviest for them since the Somme offensive, through very local in extent, for in this latest "strafe" against the Germans several battalions only from one of the Canadian divisions were engaged.

The attack took place on Thursday. To assist in the general forward movement the British troops have been making, of late, over ground abandoned by the Huns in their retreat, the Canadians launched a strong assault against a particularly formidable German position on high ground, well fortified and heavily manned by the enemy.

After vigorous bombardment of the Hun position by artillery, the Canadians turned on gas, following up with an infantry advance in waves.

Owing to unfavorable atmospheric conditions (it has been damp and foggy), and uncertainty of the wind, the gas clouds were not as effective as usual.

The Germans met our advance with a heavy fire, but the Canadians inflicted severe losses upon the enemy before returning to their trenches. Our artillery did particularly effective work.

Will Adopt 2500 Belgian Children

OYSTER BAY CITIZENS, AFTER HEARING ADDRESS BY COLONEL ROOSEVELT, COME TO THIS DECISION
NEW YORK, March 5—After listening to an address by Theodore Roosevelt, the citizen of Oyster Bay at a mass meeting last night decid-

ed to "adopt" a Belgian village of 2,400 children. The plan will call for a contribution of \$2,400, a month.

Col. Roosevelt, it was announced today, will serve as Honorary Chairman of the general committee of the Rocky Mountain Club of New York which has started a campaign to raise \$1,000,000 a month to aid the children of Belgium. This committee is making a particular appeal to the states of the far West.

CHILDHOOD AILMENTS

The ills of childhood come swiftly and too often before a

doctor can be called in or medicine obtained the little one is beyond aid. The wise mother will always safeguard her little one by keeping Baby's Own Tablets in the home. This medicine always does good—it can never do harm. Concerning it Mrs. Napoleon Lambert, St. Ignace, Que., writes:—"Baby's Own Tablets are an excellent medicine for childhood ailments and I am well pleased with their use." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
