NO BOATING FOR ALIEN ENEMIES ON ANY U. S. WATERS

Washington, May 20—Unnaturalized German men and women were warned in a department of justice statement today not to go boating on any river, canal, lake or seashore this summer, under penalty of violating regulations governing the conduct of alien enemies, and being imprisoned.

THAT'S THE QUESTION.

SA—Anything that is worth winning is worth working for.
HE—Yes, but the question is, will your father loosen up, or will I have to keep on working for you after I've won you?

ANTIQUÉ ODDITIES.

HER friend—I suppose many queer old gals and odd freaks patronize your manicure shop.
HERSELF—Yes: I call them my manicures.

GOES ONE BETTER.

"We utilize everything in our business," said the pork packer.
"When we kill hog nothing is lost but the squeal."
"We beat that," said the lumber man unflatteringly. "When we cut up a dogwood we do not even waste the bark."

A rather dignified lady got a little shokk the other afternoon. She called at the house of a new acquaintance and the little fellow who answered the door said that his mother was out. The dignified lady took out a card to leave and in doing so let the tissue sheet flutter to the ground. The boy glanced at it. "Please'm" he said, "you dropped one of your cigarette papers."
