The wedding around the new Dominion Bank is almost completed, and is a very creditable job. At the rear of the bank the grounds have been nicely sloped and sodded, and from Testum Park presents a very tasty appearance. The back yards along the river are on the whole very ragged in appearance, and this new work seemed to suggest to the proprietors of the other back lawns an idea by which they can improve their property.

GREETING FROM VANCOUVER

Kent's Oldest Orangeman Congratulated Upon His Record

Orangemen In British Columbia Saw The Write-up In The Planet

Mr. William Curtis, of Duart, who attended the Orange celebration in Chatham on the 12th of July, is the oldest Orangeman in this district. He is over 90 years of age, and has been an Orangeman for 58 years. This fact was made mention of at the time, and the account was read by a subscriber in Vancouver, B. C., who has since written Mr. Curtis the following letter:

To Mr. William Curtis:
Dear Sir and Brother,—I have been notified by the Lodge to write to you the following lines. Our kind brother, William Hunt, Past County Master, after reading the Chatham Daily Planet of July 12th, took note that you celebrated your ninety-sixth year and 58th year as an Orangeman on July 12th. I am sure we had much pleasure in reading the account in The Chatham Daily Planet, and have very much pleasure in writing you these few lines of congratulation on your interest in celebrating the commemoration of the Battle of the Boyne in Ireland.

I just want to add that we have Toronto No. 2 in Vancouver, and we are doing all we can to build up the Order. We are building a new Orange Hall, which will be a great help.

Hoping you may have many more celebrations on the 12th of July, I remain,
Fraternally yours,
WM. B. ROWE,
Rec. Sec'y.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
