ELECTION CARD

To the Ratepayers of the Town of Wolfville.

Ladies and Gentlemen.—Having been requested by a large number of the ratepayers of the Town to allow myself to be nominated for the position of Mayor for the ensuing term, I have consented, and humbly solicit your votes on Feb. 5th next.

There is but one question before the Citizens—Taxation. The fixed charges of our Town—the monies expended for the so-called necessities—have increased one hundred per cent in the last few years.

The time for retrenchment has come. The price of Real Estate is a good barometer of the financial standing of the Town.

Is Wolfville progressing as fast as our neighbouring Towns—if not WHY? We have advantages not possessed by many towns, let us make sure the prospective Citizens are told about them.

Briefly, I stand for the following: The application of ordinary business methods to the Town's business.

The cutting out of useless and unnecessary expenditures.

To oppose Town Manager and give the Rate-payers a plebiscite to decide for or against same.

The adoption of such policies as will ensure to our Town a sane, normal growth.

Soliciting your support at the polls, I am,

Yours very truly, A. C. C.

ELECTION CARD

Ladies and Gentlemen.—Having accepted a nomination for re-election to the Town Council, and as I shall be unable to make a personal canvass, I ask the support of the citizens of the town and promise if elected to do all I can to forward the town's best interests.

BOARD OF TRADE

Public spirited citizens who desire to see their town grow and prosper should reserve next Tuesday evening for the annual meeting of the Board of Trade and allow nothing to interfere with their being present on that occasion. The town needs the Board of Trade and through its operations much may be accomplished in the promotion of such enterprises as will make for the material advantage of its citizens. At the meeting on Tuesday evening the officers for the coming year, will be elected and plans laid for aggressive work. There will be room for all who wish to attend and a cordial invitation is extended the public generally to be present and take part in the program to be presented.

VOLLEY BALL LEAGUE

A Volley Ball League has been formed among the men of the town with the following teams. Bankers, Professional Men, Business Men and Faculty. Withrow, defeated the Bankers (Guest, Creighton, Hughes, Ross, Ritchie, Irvine), 21 to 14. The Faculty (Ross, Rogers, Saunders, Jonah, Farnsworth, Osborne, subs. Kellogg, Wheelock, Sutherland, Bancroft, Manely), defeated the Business Men (J. D. Harris, MacCrae, Regan, Porter, Foshay, Fielding, subs. Prescott), 21 to 5. CITY DECLARES A "DAY OF FAITH"

The most serene day in the history of the city of Santa Ana, California, was experienced when a "day of faith" was declared by the Mayor and Council, according to word received by Goldwyn production executives at the studios, from the Orange County town.

"The day of faith" in Santa Ana was celebrated by twenty-four churches, all of which gave sermons on the millennium and asked the populace to think and believe that their neighbor is perfect, and in that way bring about universal peace and happiness.

A noticeable trend toward peace was seen in the police department, for not even a minor traffic law was broken. The Goldwyn picture unit, filming Arthur Somers Roche's novel, "The Day of Faith" in the town, aided in the celebration. The picture, now completed, comes next Wednesday and Thursday to the Orpheum theatre.

"Crime and violence in our city was unknown during 'the day of faith,'" said Mayor Tubbs, of the city in a statement to the press. "I think it would be a wonderful thing for the world to declare such a holiday."

HIGH SCHOOL HOCKEY

The first game in the High School Hockey League was played here Tuesday afternoon between the Wolfville and Canning schools. The game was closely contested and at times real fast. The final score being 2 to 2. Both teams played splendid hockey and the game was full of thrilling moments. John Johnson was the best player on the ice. An unfortunate accident occurred about four minutes after the start of the game, when Ronald Prescott got hit with a hockey stick over the eye and had to have two stitches taken, which prevented him from continuing. Each team scored a goal in the first period, and again in the last period. The teams were as follows:

Canning.—F. Smith, goal; N. Eaton, R. Cohen, L. DeWolfe, H. Bennett, J. Harris, Subs. J. Bigelow, H. Covert, Wolfville.—C. McKenna, goal; Johnson, Shaw, defence; Prescott, Regan, Williams, forwards; Vaughn, Eaton, Phinney, subs.

The sum of \$50,000 was asked from the citizens of Wolfville toward the Acadia Million Dollar Campaign. It is understood that this amount has been practically subscribed and partially paid in.
