Six of the Express Robbers Caught.

Chicago, Dec. 30.—Col. C. Weir, manager of the Western Division of the Adams Express Company, said yesterday: "We've got every last one directly or remotely connected with the express robbery. The working up of the case was one of the shrewdest pieces of detective skill in the history of this country. Six of the gang are now in custody. We had seven but let one go. The amount stolen was $65,700, but of that amount about $40,000 will be recovered. Oscar Cook made a confession yesterday in which he stated that Fotheringham, the express messenger, knew all about the plan to rob his car and was a willing victim to the attack of the robbers. It is said he was promised $10,000 of the amount stolen.

The War Rumors in Europe.

London, Dec. 30.—The *Times'* Paris correspondent affirms that he has information from an undoubted source that Russia and Germany signed a direct alliance a fortnight ago. "The Czar" adds the correspondent, "was decided in taking this course by the attitude manifested towards Russia by Count Kalnoky, the Austrian Minister of Foreign Affairs, and by the expectation that M. Floquet would be made Prime Minister of France. This shows" concludes the correspondent, "that the reported alliance between Russia and France was but a chimera."

The Vienna press is becoming convinced that Russia is determined on war. Reports of increased Russian armaments are continually coming to hand from various sources. The latest intelligence is that 30,000 Russian troops have been ordered to mass in Kieff, and that the occupants of 10,000 houses received official notification that soldiers will soon be billeted in them. The *Neue Freie Presse* plainly hints that the best thing Austria can do is to submit to Russia's wishes in order to avoid a conflict. The *Tagblatt* and other papers bitterly deplore the fact that Austria is compelled to abandon her Balkan programme because she has been left in lurch by Bismarck, who has made peace with Russia.

CRISIS IN THE BRITISH MINISTRY.

Hartington Not to Join It.

London, Dec. 30.—Rt. Hon. Wm. Henry Smith, Secretary of War, is to take Lord Randolph Churchill's place as leader of the Conservatives in the House of Commons.

Lord Harzington, Joseph Chamberlain, and George J. Goschen had a conference to-day. They found themselves equally averse to joining any Coalition Cabinet, and all three decided to support the Conservative Government. Lord Hartington's conference with Mr. Chamberlain and Mr. Goschen proved that the Radical-Whig alliance is unbroken. The refusal of Lord Harington to enter the Cabinet gratifies the Tories, who strongly objected to the infusion of Liberal blood into the Ministry. A majority of the members of the Carlton Club, preferred the return of Churchill, even at the cost of the submission of the Government. The efforts to reconcile Lord Randolph promise better. Lord Rowton, acting on behalf of Lord Salisbury, and Sir Henry Drummond Wolff, for Lord Randolph, met at the Carlton Club to-day. Lord Randolph in the club denied that he was moving to effect a reconciliation, but expressed his willingness to entertain proposals, if they tended to strengthen the party.

The *Post* continues to urge that the Government effect a reconciliation with Lord Randolph Churchill.

SIR JOHN AND HIS ORGAN

The "Mail's" No Popery Cry Part of a Tory Plot.

Everybody now understands the Toronto *Mail's* affected independence, its mild advocacy of prohibition, and its "No Popery" howl. The whole thing is a put-up job to catch votes. We never had any other opinion and even those who were inclined to hold a different view see through the trick now. Mr. Blake unmasked the tricksters in his own inimitable style the other evening. Speaking of the *Mail's* attitude at the present time, he said:

It has provoked the race prejudices of the English speaking Canadians against their French brethren, and so done its best to arouse like feelings on the other side. It has preached a holy war; it has preached a French war; it has proposed revolutionary changes in the constitution, in order to help the Quebec English against the Quebec French; and forsooth to help the Quebec French against themselves. It has sought to raise the spectre of Roman Catholic aggression and French domination. It has called aloud to all the Protestants and all the English speaking races to band themselves together against the French and the Catholics. It has invoked the aid of the Liberals as well as others in this new departure. And all to what practical end, I ask you to-night? Why, just to help Sir John Macdonald and the Tory party! That is the be all and the end all of the new policy! (Great applause.) You know the old proverb, "All roads lead to Rome." The *Mail* evidently has for some time understood that proverb as applying not to the locality of the Imperial City, but to the religion of which Rome is the centre. (Laughter.) But the *Mail* has also been diligently acting upon the spirit of the proverb, and reflecting that it may be read to mean "All roads lead to the ballot box—you go one way, I'll go the other; you go by day, I'll go by night; you take one pass word, I'll take the other, it's all right; we will meet at the polls and bring our sheaves with us!" (Tremendous applause and laughter.) But, says Sir John, "for form's sake you must allow me to say one deprecatory word. It shall be mild and apologetic, it shall be accompanied by, nay it shall be overshadowed by praise and acknowledgments, it shall, on the whole, help you and not hurt you—but one little word I must say. You know, else——" "Certainly," says Mr. Bunting, "and I must have the same license, and I will use it in the same way. It's all right. Even hard words break no bones, but we won't do each other any harm; we understand each other thoroughly." And so the comedy is played, so the actors make their bow, and so you are all to believe that he is not responsible—he will take the profit, but will not share the loss. But what is the reason which he gives for the distinction between us? His reason, as he declares, is because the proprietor of the *Mail* is wealthy and independent. It may be so; but I believe that in wealth and numbers and independence that of the *Globe* beats it hollow. (Loud applause.) Why, who founded the *Mail*? Sir John Macdonald. (Great cheering and laughter.) He, their first Minister, promoted the subscriptions to its stock, took stock himself, and got his contracting and expectant friends and hangers on to take more.

CAMPBELL'S

TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Atonic Dyspepsia, which is apt to occur in persons of a gouty character.

For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Calisaya and Serpentaria are universally recognized as specifics for the above-named disorders.

Sold by all Dealers in Family Medicines.

Price, $1 per Bottle, or Six Bottles for $5.

"It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. "I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung troubles.—E. Bragdon, Palestine, Tex.

About six months ago I had a severe Hemorrhage of the Lungs, brought on by a distressing Cough, which deprived me of sleep and rest. I had used various cough balsams and expectorants, without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral.

I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and, I am satisfied, saved my life.—Mrs. E. Coburn, 18 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs, for which I had almost despaired of ever finding a remedy.—D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe Cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Two bottles of this medicine completely restored my health.—Lizzie M. Allen, West Lancaster, Ohio.

Ayer's Cherry Pectoral,

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price $1; six bottles, $5.

Green Mountain Oil.

Mr. J. H. Lemon—I feel it a pleasure in giving this testimony for the benefit of suffering humanity. I had been a great sufferer for over 20 years with dyspepsia, and had tried many things to get a cure, but got no relief. I was also troubled with kidney disease, so that many times my back would give out so that I could not work, and after my meals I would bloat up in my stomach and suffer severe pain, and my nerves were all unstrung. I wish the public to know that by using your Green Mountain Oil, I am a better man than I have been for these 20 years, and don't wish to have my house without your Oil. Any person doubting this statement can write to me. Yours very respectfully, Herbert Crumb, Contractor, Guelph.

Guelph, 28th December, 1886. d&w1m

CONSUMPTION.

I have a positive remedy for the above disease; by its use thousands of cases of the worst kind and of long standing have been cured. Indeed, so strong is my faith in its efficacy, that I will send TWO BOTTLES FREE, together with a VALUABLE TREATISE on this disease to any sufferer. Give express and P. O. address.

OF WORTHLESS IMITATIONS

As there are many inferior goods, corded with jute, hemp, etc., offered and sold as Coraline by some unprincipled merchants trading on the reputation of our genuine Coraline, we warn the ladies against such imposition by drawing their attention to the necessity of seeing that the name
