# FAMOUS CRICKET BALLS Cold Upsets

SPHERES USED IN GREAT MATCHES ARE PRECIOUS.

The Custom In Great Britain Is That the Man Who Last Handles the Ball In a Game Owns It and Large Sums Have Been Offered by Enthusiasts For Them After Historic Contests.

It is a law, but an unwritten one, of the cricket field that the player indigestion and irregularity of the who last touches the ball in a county bowels and there may be rheumatic match can claim the same. This be- twinges. ing so, it is not unusual for a bats- You wonder what has gone wrong man to handle the ball and dismiss until you recollect that you have been Scotton did this during the NonSmokers watch at Melbourne in 1887, when the former
made a grand total of 803 runs. Scotton and Boyle were at the wickets at the close of the game, and when the the close of the game, and when the skin, which are ordinarily a great the ball gently with his bat, and as a sid to the kidneys in removing pois
ature, perhaps sitting in a draft or years and strong in a draft or years and series and the passing from a very warm room to be chilled by the outdoor air.

The kidneys are most susceptible to Saskatoon property and Central Saskator property and Central Saska the ball gently with his bat, and as it relief at his feet he picked it up and put it in his pocket. Naturally the umpire gave him "out," and put it in his pocket. Naturally the umpire gave him "out," and the danger lies in not understandly the umpire gave him "out," and the first paragraph. Once you can help them promptly by using you can help them promptly by using you can help them promptly by using the ball for its possession.

WE HAVE ANUMBER OF CHOICE sumed his duties as Master of the say to me he'd call me up on the sumed his duties as Master of the say to me he'd call me up on the improved and unimproved farms for indisposition, says are English of indisposition. Some splendid bargains.

The danger lies in not understand and Saskatchewan on the limmon and Saskatchewan on the sum of the date of the say to me he'd call me up on the say to me he'd call me up on the sum of the date of the say to me he'd call me up on the say to me he'd call me up on the say to me he'd call me up on the sum of the date of the say to me he'd the

avilion with the ball held tightly ties, and that means pains and sufpavilion with the ball held tightly in his hand. In a few moments he was surrounded by collectors who wanted to buy the leather sphere. One gentleman offered Abel \$50 for it, which was very nearly the value of half its weight in gold.

A cricket ball that is exceedingly was used in

being discussed in the House one day announced that an amendment had been handed in, but the writing was so illegible that he has quite unable to say what it was about or who was the author. The latter, it then was the same of the old frame was to disfranchise all persons who could not write!

This is somewhat similar to a story of the Ouke of Wellington, whose fall ynacked, safe delivery guaranteed: had been accession of the delebrated will have some the was runs: "Thirty-first had have been accessed in a handsomely-engraved to the college you so far, anylow."

This is somewhat similar to a story of the Ouke of Wellington, whose fall ynacked, safe delivery guaranteed: had been accession of the old writing was hardly in the was runs: "Thirty-first was nevertheless, a comolete success. At the Vine Club, at Sevenoaks, there is a snuff-box of silver made like seems in a similar manner to the a cricket ball. This trophy, which is over a century old, is marked with alls in use at the present day. In ays of yore this snuff-box ball was ed and thrown from hand to hand after dinner. Anyone who missed a atch was forthwith fined several ttles of claret.

Bats, stumps, and pads used in big matches very often fetch large Hearne sold for \$90 a bat which he used for a couple of seasons and with which he had hit up seven centuries.

T. Horan, a member of the earlier Australian teams, once endeavored to pull a fast toss from Spofforth in a natch in Australia. The experiment, wever, resulted in a broken stump, and this was mounted in silver and ted to the bowler as a memento of the event .- Tit-Bits.

The Progressive Maori.
The Maori of New Zealand is a fine low, and well liked by Europeans. that he is progressive is shown by up-to-date methods which in farming and when he inadopts in farming and when he indulges in the luxury of motor cars,
he always wants the best makes.
Those Maoris who are living in the
pression.

"And so northern portion of New Zealand "And some of those you have g villages connected by telephone; the struggle," replied the critic. lines, erected by themselves, have been put up in a solid and secure oner. During evening time when conversation is slack on the telephone, the gramophone is impressed.

Terrible ravages are being made by the plague in India. The official returns show that during one recent week, the deaths reached a total of 20,929, no fewer than 12,062 being in the United Provinces. The rays are the United Provinces. The ravages of the pestilence in the northwest are worse than anything known in India worse than anything known in India since the terrible year, 1907, when the weekly death roll of plague in the Punjab went above 30,009.

Classified. A couple of young men, who once tried to have a joke on Darwin, had to admit that the only laugh was onthemselves. They took different parts of various bugs and made them into one that would have made some people think they were "seeing things." Darwin pretended to be much impressed and interested on seeing the vonder that the young men assured nim they had captured. He questioned them closely as though trying to place the strange thing. Finally he cted as if light were breaking in on

"Gentlemen," he asked, "did you "Yes," said the young men, eager "That settles it," said Darwin. "It's
