### WHY THAT WEARINESS?

The Cause of Your Uneasy, Rest-  
less Feeling

Is Spring Fever. Thousands  
Have It.

All winter long you worked hard.  
This took lots of nerve force. It lasted  
so far but now it's all gone and you  
feel half dead.

Somehow you must get new vitality  
and more nerve force. The  
water in your blood must be turned  
into strength and building material.  
Your appetite must be braced up.  
Some new power must be imparted to  
your weak body.

This is just what happens in using  
Ferrozone, which is an important blood  
maker, blood enricher and nerve build-  
er.

Ferrozone not only creates keen ap-  
petite. It goes further, improves di-  
gestion and assimilation, so that every  
particle of food is converted into nerve  
and muscle fibre.

By building up new nerve force and  
making each organ do the work that  
nature expects of it, Ferrozone quick-  
ly increases your weight and instils a  
reserve of vigor into the system that  
defies weariness, exhaustion, spring  
debility or sickness of any kind.

To prove the enormous strengthen-  
ing power of Ferrozone we quote the  
following letter from Mrs. Edward  
Hill, written on March 24th from her  
home in Opp Lake, Ont.

"Two years ago I had a nervous  
breakdown. At night I tossed rest-  
lessly in bed, unable to get any com-  
fort or rest from sleep. In the morn-  
ing I suffered from overpowering  
weakness that almost killed my hope  
of getting well. My appetite was poor.  
I grew pale and thin and a despondent  
feeling possessed my mind continually.  
A slight hacking cough also added to  
my burden.

"My doctor said I might try Ferro-  
zone and it did me good in a few days.  
I increased in strength, the nervous  
sensations disappeared and with my  
weight came back my color and my  
spirits. I have gained over ten pounds  
in weight and considering my age, is  
OK. I consider Ferrozone a marvel.

"Signed: Mrs. Edward Hill.  
Remember this, Ferrozone is a true  
tonic, not an alcoholic stimulant. Fifty  
chocolate coated tablets in a box for  
fifty cents—six boxes for \$2.50—small  
dealers or N. C. Polson & Co., Hart-

delegate for every member of members  
up to twenty five, and one additional  
delegate for every 25 members or  
major fraction thereof above 25. The  
executive desires to see a large dele-  
gation attend. The N. B. T. A. has  
subordinate associations in every city  
and county but Charlotte, Madawaska

members in those counties and a num-  
ber in Normal School.
