WONDER OF THE WORLD. Gravel Cured of five years standing.

Gravel Cured of five years standing.

Messrs. Curtis & Perrina, Bangor, Me.

Gentlemen.—I have been entirely cured of the Gravel, by the use of your Cramp and Pain Killer. I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various specifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured. MILES STAPLES.

We, the undersigned, are well acquainted with the above case, and sertify to the above statement of facts. CHARLES CLIFFORD. HANNAH CLIFFORD

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

"Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I ever used?"

used."
The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a case, and but very little with. I applied Doctor Johnson's Anodyne Liminent, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of Gramp and Pain Killer, prepared by Cur 113 & Prakkins, Bangor, and after three applications was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a tame side, with the same bottle. I believe the best medicine in the world, and am happy to add my testimony in its fevour.

N. B.—Be sure and call for CUR TIS & PERKINS' Gramp and Pain Kitler. All others beering this name are base imitations!
