If you would have a breakfast beverage that is delicious, fragrant and satisfying, you should tell your grocer to send you a tin of LUXOR COFFEE. This coffee, I can assure you, has a flavor and aroma which surpasses that of any coffee you have hitherto used. There is a practice among some economical housekeepers of putting in a little extra tea with the old leaves and sitting the teapot back on the stove. This should never be done. Either start a new brew entirely, or else pour some boiling water on the leaves, and the latter will give you a cup of fairly good tea. The best results, of course are obtained with MORSE'S TEAS.

Briggs made a home run in the 2nd inning with one man on base. The batteries for the winners were Briggs and Jenkins, for the losers Fraser and Harriman. Chatham was on their metal all the time but could not hold Nelson down. At Loggieville last night, Newcastle was defeated by Loggieville. The score was 3-2. It is reported that A.W. Covey is to be on the Miramichi this week to look into several disputes which have arisen among the teams. Briggs, pitcher of the Nelson team is sure some ball player. To see him perform is a cure for sore eyes and puts older fans greatly in mind of Newcastle's star pitcher.
