Goderich Salt.

(To the Editor of the Globe.)

SIR—My attention was to-day drawn to a paragraph in your paper, headed as above, and, in justice to the salt manufacturers, I ask for a limited space for reply. Every barrel of salt, when it leaves the works, weighs 300 lbs.—280 lbs of salt, and 20 lbs for the barrel. I am occasionally at the works, and know that the statement made by your informant is not correct, so far as the weight of the barrels, when shipped, is concerned; but if, as no doubt your informant does, he allows his salt to be exposed to the weather, without any covering over it, *it will waste.* I have tested this to-day, by weighing some American salt barrels which have been exposed to the weather since last fall, and find them short 30 lbs per barrel. I often have occasion in my business to weigh the salt, and sometimes I have found them overrun considerably, and but very seldom find them short.

Yours, &c.,
C. T. HURREL,
Goderich Salt Agent.

HEALTH IS STRENGTH.—To prevent or conquer disease is one of the grandest attainments ever aimed at by man and Bryan's Pulmonic Wafers will as sure cure coughs colds, tickling in the throat and pulmonary complaints as war and pestilence will destroy. Severe colds if not attended to sooner or later lead to incurable consumption, and the strength of the strongest soon fails if neglected. The readiest and best means known for the cure of these complaints is "Bryan's Pulmonic Wafers" which have been thoroughly tried for the last twenty years, and have never been known to fail. Singers and public speakers will also derive great benefit from the use of them. Sold by all medicine dealers, at 25cts per box.

The Microscope—One of the most interesting experiments, and one which is easily performed, is to watch the change in the blood of a delicate or very pale person while using Fellows' Compound Syrup of Hypophosphites.

The colourless or dead corpuscles are steadily removed from the system, and are replaced by the red or vitalized particle, so necessary to vigorous existence.

Price $1.50 a bottle; 6 for $7.50. Sold by apothecaries and by F Cundill & Co., wholesale agents, Montreal.

The Lumber Trade.—We cannot deny that we are suffering severely in our lumber regions for the want of a market for our coarse lumber. The Americans, on account of their troubles have not made any purchases in the Province the past year, and being unable to compete with the North of Europe we can't ship it to England, but serious as this matter is, it is gratifying to know that the 'Canadian Pain Destroyer' is a great favorite among our Lumbermen, for curing coughs, sudden colds, cramps in the stomach, burns, bruises, frost-bites, chilblains, &c., and they do not depend upon a foreign market for it, it is sold by all Medicine Dealers at 25 cts per bottle.

Chronic Sores.

In all cases where Sores, Eruptions, or Worms Spots &c., are caused by more temporary derangement of the secretions, or from change of season from cold to heat, or the malarias of spring or summer, a few doses of Sarsaparillian will remove.

In cases where there is Chronic, Scrofulous Skin Diseases, Salt Rheum, Ague, Erysipelas, Eczema, Ulcers, Tumors, Fever Sores, Syphilitic Diseases, and uncured Venereal—in fact, all those terrible diseases that reduce the patient undergoing constant waste—the Sarsaparillian Resolvent requires more time to effect a cure, but in the most of these chronic diseases is sure to cure.

Sometimes, if the bowels are costive, and the food is not converted into nourishing constituents, and the Liver is sluggish, the eyes yellow, and, skin discolored, then a few doses of Radway's Pills (coated) in connection with the Sarsaparillian, will prove of great assistance.

Weakening Discharges, Emissions,—Thousands of unfortunates have been restored to vigorous health who have been reduced to mere skeletons, through the reperative powers of this medicine. Leucorrhœa, Whites, Discharges from the Uterus, Gleet, Gravel, all Urinary Difficulties, all Diseases of the Kidneys, Bladder Womb, and Urinary Organs, involuntary discharges of the Spermatic Glands, and wastes of all kinds are arrested by this wonderful reparative remedy, and the weak, nervous, melancholic of both sexes restored to sound and vigorous health.

Sarsaparillian Resolvent $1 per bottle, 6 bottles for $5. Ready Relief 25 cts per bottle. Pills 25 cts per box.

Dr Radway's Remedies are sold by all Druggists and Country Merchants, and at Dr Radway's Medical Warehouses, 87 Maiden Lane N Y and 439 St Paul St Montreal.

MARRIED.

At the Huron Hotel, on the 16th inst, by Rev. R. Wright, John Sourby Esq. to to Miss Louisa Campbell, both of Goderich Township.

DIED.

At Allandale Mills in the County of Peterboro', on Monday the 13th June, Mr. David Gunn, late manager of the Mills of Standly & Co. in Goderich.

On the 14th inst., in the Township of Usborne, Mary Munro, alias Mrs Campbell in the 70th year of her age. On the 16th her mortal remains were interred in Warrensville Cemetry, London road, the funeral cortege being one of the largest ever seen in the southern part of the County of Huron.

Deceased who was the mother of Dr. Campbell of Seaforth and of Mr W Campbell of Michigan Univ., was a woman of fine natural powers and originality of mind. She was friendly, philanthropic and kind, even to a fault. She had an expansive intellect, good reasoning powers, warm poetic ideas and strong common sense. Above and beyond all she was a sincere and devoted Christian and was not afraid to die. She is not lost, but 'gone before.' Peace to her ashes.

GOOD NEWS FOR THE FARMERS!

THE UNDERSIGNED WISHES TO BRING TO THE NOTICE OF THE FARMERS IN THE COUNTY OF Huron and township of Hibbert that he is wholesale agent for John Watson's justly celebrated

Agricultural Machinery and Implements

For the above mentioned Territory. For a combined Reaper and Mower, I would particularly recommend the Ayr Combined Machine; it gave the best satisfaction last year in every case, notwithstanding the unusually bad harvest, and judging from the orders already received for them, the prospects are very encouraging. I also offer you something new as a separating threshing machine called the [illegible], that while its capacity for threshing is equal to that of any other machine, it is simpler in its construction, more durable, easier managed and lighter in the team. Mr. Watson has introduced a new Grain Drill, which is altogether superior to anything of its kind heretofore in the Canadas. At the late Provincial Exhibition it was awarded the first prize, and diploma against a large number of competitors. His Improved Turnip and Seed Sower was awarded the 1st prize at Provincial Exhibition 1869. I can recommend his Straw and Root Cutters, Cultivators, Ploughs and other Implements. Myself or Agents will call on you before the haying season commences. Descriptive Catalogues sent by mail on application.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

THE TRUE THEORY OF PURGATION

APPLIED TO THE
LIVER, KIDNEYS, SKIN, STOMACH & BOWELS.

DR. RADWAY'S
PERFECT
PURGATIVE PILLS.

MATERIA MEDICA contains in its repertoire many purgative and cathartic agents that, for ordinary purposes, open the bowels, and through what is called a "peristaltic" movement, purge from the alimentary canal the fæces *and this is all.* Such agents for the purpose of cure, or removal of any settled disease, are utterly useless.

DR. RADWAY has completed one of the most essential discoveries in medical chemistry—in the combination of vegetable substances, for the purpose of a PURGATIVE, APERIENT, COUNTER-IRRITANT ALTERATIVE PILL, that can be taken or administered with the absolute certainty of securing THOROUGH EXPULSION OF ALL DECAYED AND DECOMPOSING elements in the human body and also safe to take in the most malignant of eruptive Fevers; in cases where the mucous membrane of the internal viscera are suffering from Ulceration, Inflamation or from

Gastric, Bilary, Pancreatic, Complaints.

MEDICAL DISCOVERIES.

Hundreds of medicines are put up under different names, all made alike, in imitation of some successful originator. There are, however, but very few of these medicines that are entitled to any distinctive or exclusive remedies. All these common pills are made generally alike, with some active drastic drug for a base

RADWAY'S PILLS possess properties that the Materia Medica has failed to discover in either the vegetable or mineral Kingdom. Calomel and the many preparations of mercury, for centuries supplied as an *alterative*, (and the most popular, for it is administered in 900 cases out of 1000,) and Aloes, Gamboge, Scammony, Antimony, Podophyllum and kindred drugs supplies the Cathartic, not only for the medical practitioner, but for all sorts of the advertised Pills.

DR. RADWAY'S PILLS.

In RADWAY'S PILLS (which are the only perfect *Purgative Pills*) you secure a Pill superior in all its properties to the most choice remedial agents known to Medical Science. They differ in every respect to all other pills in general use, and the only Vegetable Medicine that supplies a substitute for

Calomel or Mercury.

IN RADWAY'S PILLS you have one medicine that will secure quicker, more thorough and better results than will be given in from three or more different prescriptions of the medical practitioner. As proof of this: You are seized with a Billious attack. Doctor prescribes Blue Pills or Calomel; next some drastic aloetic pill or powders to work off the effects of the blue pill. This prostrates you; and a tonic is next given, or a gentle aperient, whereas ONE DOSE OF RADWAY'S PILLS *will do all the work that three or more prescriptions are given for,* without running any risk from mercurialising or salivating the system.

Why is Purgation Necessary?

There are two principles which exist in every living human body; one is the product of decay or decomposition, (those Humours or elements that are rejected by the absorbents and lacteals as refuse), the other is that of nutritition. It becomes necessary for the life of the body that the decayed and excrementitious elements be *dismissed* and the nutritive adopted. For the removal of the first the human body is supplied with lungs, kidneys, liver, skin, bowels, &c., but when, from any cause, the functions of these organs are suspended, then it is essential to resort to art or science in supplying assistance, and of all medicines ever given to the human race for this purpose, there is none in the arcana of MATERIA MEDICA or CHEMISTRY that secures these important results so thoroughly, HAPPILY, and with such COMFORT as

RADWAY'S PILLS.

In RADWAY'S PILLS, *the true principle of purgation* is secured—not alone to the offices of dismissing the fæces and excrements from the bowels, but the humors that are checked or stopped in their passage through the *Skin, Kidneys, Lungs,* and all excretory and secreting functions, for if these excrementious secretions belonging to the skin, liver, lungs, are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body, through their proper channels; hence the purgative qualities of RADWAY'S PILLS extend to the secretions of the SKIN, KIDNEYS, LIVER, &c.,—whereas, not one of the advertised Pills claim to act beyond the bowels.

Straining Hurtful.

There are many conditions of the system when *straining when at stool* is hurtful, especially persons suffering from weakness or diseases of the KIDNEYS, BLADDER, WOMB, UTERUS, URINARY DIFFICULTIES, and INVOLUNTARY WEAKENING DISCHARGES of the GENITALS.

LADIES

Annoyed with weakness or falling of the womb, LEUCHORRHEA, and in all cases of weakening discharges, should, if they find any trouble in the dismissal of the *fæces*, take RADWAY'S PILLS in sufficient quantity (2 to 4) to secure a free and thorough discharge, without being compelled to *strain.* RADWAY'S PILLS will assist the SARSAPARILLIAN RESOLVENT, in strengthening the secreting functions of the impaired organs, that are too weak to hold their Constituent secretions as in cases of Involuntary Emmissions of *sperm* or *the fluid of life,* and in Leuchorrhea, in Diabetes, in constant and painful discharges of water, drops, also in

PILES:

One violent and severe strain when at stool will *rupture* and *destroy* the healing process of a month's medication. Persons of costive habits suffering from these difficulties should never take the *common drastic purgative pills,* made of the common aloes disguised under a coat of sugar, that scour and produce *violent yet not thorough* discharges; such pills as these *are at all times hurtful,* and will especially in all cases where there is weakness in the secreting glands, destroy the repaired structure, and in all cases of fever, of an eruptive character, as any doctor will tell you, prove very dangerous.

In any condition of weakness RADWAY'S PILLS are the only purgative pills that are safe to take. This is shown clear to the understanding of all, from the peculiar combination of the ingredients of their composition and the medicinal properties secured. One or two of RADWAY'S PILLS, as ordinary assistants when the bowels are costive will remove all dead and decomposing elements and restore regularity to the functions of the LIVER, SKIN, KIDNEYS, BOWELS.

HOW TO TAKE RADWAY'S PILLS.

RADWAY'S PILLS are so nicely balanced in their chemical equivalents, that any person can obtain such effects that are essential to the condition of their system to promote health.

1. If a brisk or thorough purge (by the word *thorough* we mean to convey that their purgative qualities be applied to the delayed or checked excrements of the skin, liver, kidneys, as well as the *retained* fæces in the bowels) is required, *four to six will free the system* from the presence of all matter ready to be purged out of the body.

2. If a mild and gentle aperient and laxative action is required, two to three will produce this result.

3. If merely a dinner appetizer, and to promote healthy digestion, *one pill* two or three hours before dinner.

Their daily Use.

In doses of one or two pills, by all persons of full habit of body, subject to giddiness, rush of blood to the head, palpitation of the heart, and all those subject to fits, will not only keep the blood in vessels from becoming congested or clogged up in the blood vessels, but will equalize its circulation, and prevent sudden attacks of appoplexy, disease of the heart, congestion. Persons who will take one of those pills every day will not suffer from headaches, Dizziness, Hysterics, Fainting [illegible] around the heart, and a hundred other disagreeable symptoms.

DYSPEPSIA.

One of RADWAY'S PILLS two or three hours before dinner, taken daily, will keep the system free from DYSPEPSIA, INDIGESTION, CONSTIPATION, COSTIVENESS, &c.

Bear in Mind.

RADWAY'S PILLS are the only purgative that will secure an alterative, diuretic, sudorific, aperient and tonic influence.

They are the only vegetable substitutes for Calomel or Mercury.

They promote the secretion of bile and with [illegible] it from circulation.

They assist through their nutritious properties the chyme and chyle, and gastric juices in the process of digestion.

They are elegantly coated with gum, PERFECTLY tasteless and free from smell.

PRICE twenty-five cents per box, or five boxes for one dollar. Always ask for RADWAY'S PILLS and see that the letters R.R.R. are on each label, and the words Radway's Remedies, on the other. Sold by all druggists and general storekeepers, and at Dr. Radway's Dominion Office 439 St. Paul St., Montreal.
