Don't Forget Your

Boy Who is

Fighting for You.

You are in perplexing circumstances when you want to know what to send him. We will try and help you out. He needs something to break the strain always on his nerves. He wants to be taken away from his surroundings for a time, even if it is only his mind.

WE SUGGEST A BOOK.

You think, Oh what is a Book? When he is finished with it it will be no good to him. But you send him cigarettes and cigars which give only about five minutes enjoyment to him alone, while a book, long after he has read it, lingers in his memory. And even after he has finished it it can be passed from one to another in the trenches.

We have the largest collection of Books.

We will save you all the trouble sending it.

We will supply writing materials and a place for you to write in quietness.

We will mail it for you. We will try and help you in your selection. Call at

MINARD'S LINIMENT CURES DISTEMPERS

## Sale Prices Now on all Our Stock of LADIES' and MISSES' Winter COATS.

These Coats are all this season's styles and all British made. This means that they are made of woollen materials, which signifies more warmth, and that they will hold their colour better than American made Coats, which as a rule are made of at least 75 per cent. cotton, but which are now being introduced on this market owing to the difficulty of getting British made goods.

However, we have been fortunate in getting a big stock of British Coats, but owing to their late arrival and our being very much pressed for room, we have decided to offer them

At Reduced Prices,

Thus giving our Customers some

## Bargains.

This lot of Coats is absolutely and by far

## The Best Value

of any Coats now offering the Newfoundland public. Do not delay making your purchase as bargains are few and far between these days, and as our Retail Prices are now less than the Wholesale Prices of those of the Wholesale Coat Men, this lot may not last long.

HERE ARE THREE BOOKS THAT ARE JUST OFF THE PRESS.

INSECT ADVENTURES.

(By J. HENRI FABRE.)

Translated by Alexander Teixeira de Mattos and Adapted for Young People by Louise S. Hasbrouck.

Could any child fail to be interested in nature subjects if he had a chance to learn about them from Fabre, a scientist unequalled in his chosen field of insect life, and a master of the art of appealing to the youthful imagination? His profound knowledge is imparted in terms of fascinating adventures.

The caddis worm "pirates," "the insect submarines," "the spider's telegraph wires" are introduced to the child reader. The life stories of the bee, the wasp, the spider, the fly are told with that whistling imagery and fanciful twist which make them read like a fairy tale. The charm of the book is completed by the fascinating, quaint sketches, very French in style, which are profusely scattered through it.

Illustrated, \$2.00.  
"The Mystery of the Hasty Arrow," illustrated, cloth \$1.50. Anna Katherine Green's new book.

"Songs from a Young Man's Land," \$1.50, by Sir Clive Phillips-Wolley. These Poems pulse and throb with the new spirit of unity and solidarity that is vibrant throughout the flag-flung Empire to-day.
