William Frew

THE MENACE OF THE EMPTY CRADLE,

(By Father Bernard Vaughan.)
WHERE IT IS, WHY IT IS, AND WHAT IS ITS CURE.
The object of this book is to recall his fellow-citizens to a sense of the ruinous decay which is sapping the foundations of this 'plot', this earth, this realm, this England, together with its Overseas Dominions. As Newfoundland is one of its Overseas Dominions, every citizen should read this very interesting and only too true book. Price 35c.; postage, 2c.

BE MORE BECOMING THAN FLAT LENSES.
The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Toric Lenses much more becoming and useful. They give you a wider, clearer field of vision. You should know about Toric Lenses. Let us explain them.
