Diocesan Synod Proceedings.

FRIDAY, Sept. 24.

The session of the Synod to-day was
called to order at 7.30 by His Lord-
ship the Bishop, who read the opening
prayers.

Rolls were called by the Secretaries.
The minutes of yesterday's session
were read, agreed to and signed.

Canon Bolt read the report of the
Council of Queen's College, and moved
its adoption. Agreed.

Canon Smart read the report of the
Special Committee on Finance and
moved its adoption. This was agreed.

Rev. A. E. Talk moved the second
reading of the Bill to amend chap. III.
of the Constitution and rules. This
was agreed.

Canon Bolt gave notice that he
would on to-morrow move that the
will be read a third time and passed.

Rev. T. E. Loder (Grand Falls),
moved third reading of Bill to amend
Chaps. I, VII, and IX. Agreed.

Bill was read a third time.

Mr. J. W. Withers moved House
into Committee of the Whole for the
resumption of the debate on the Reso-
lutions on Education. (St. George's)

Rev. A. E. Butler, (St. George's),
moved an amendment to the resolu-
tions on Education, as follows:

WHEREAS the spirit of the pres-
ent day favors the breaking down of
artificial barriers between Christians
of different forms of worship;

AND WHEREAS the Lambeth
Conference has this year expressed
on behalf of the whole Anglican Com-
munion a desire to draw into closer
fellowship with all other communions
of the Christian Church;

BE IT RESOLVED—That this
Synod hereby approves the principle
of a union of the educational systems
in St. John's, which shall include all
classes of students above, and include
the Honors Division of the Interme-
diate Grade, and that all denomina-
tions be invited to join such a union;

BE IT FURTHER RESOLVED, That
the Executive Committee may in be-
half of this Synod assent to any
scheme which may commend itself to
the committee for giving effect to
such a union;

BE IT FURTHER RESOLVED,
That the maintenance of undenomina-
tional boarding houses, or hotels, and
the provision of the fullest rights of
entry for religious instruction for all
denominations who made up the union
shall form part of such a scheme;

that a clergyman shall be appointed
to preside over the hostel of its own
particular denomination and that all
such clergymen be on the regular
staff, and give religious instruction
to the students of the institution, who
shall belong to their own branch of
the faith.

This amendment on being put to
the House was lost. Mr. Brian Dun-
field then proposed the following
amendment to the original Resolution,
which was duly seconded, viz—

RESOLVED, That in the event of
its being conclusively ascertained, by
a properly authorized referendum to
the Church of England people of St.
John's, that a majority of them desire
to unite their educational system
with those of any other denominations
which desire such a union, this Synod
will acquiesce in the decision of the
people.

The amendment was lost. The
original Resolution was then put to
the House and was carried by a ma-
jority of 1 on the lay side, and de-
clared by the chairman to be lost.
Certain members asked that their
names be recorded on the minutes.
Leave was granted. On motion the
House rose and reported the Resolu-
tion lost.

His Lordship gave notice of the
meeting of the Diocesan Guild of In-
tercession at Queen's College at 11
a.m. Saturday; and also a meeting of
the Rural Deans at Bishop's Court at
the same hour. His Lordship also
intimated that the House would meet
to-morrow evening at 7.30 and endea-
vour to conclude its business.

On motion the House adjourned at
1 a.m. Saturday with the Benediction.

Wedding Bells at Bell Island.

CUMMINGS-POWER.

A very pretty wedding was so-
lemnized at Bell Island on the 22nd,
when Mr. Lawrence Power, of Domin-
ion No. 1, and Miss Ethel Cummings
of Lance Cove, were united in

the holy bonds of matrimony, by the
Rev. E. J. Ralins. The ceremony
was performed at St. Michael's
Church, and the groom, who is one of
the Island's most popular young men,
and who is the Quartermaster-Ser-
geant of the C.C.C., was attended by
Sergeant-Major J. F. McEvoy, while
the bride was supported by Miss
Florrie Power, of the Bell Island Co-
operative Co. After the ceremony

the wedding party drove by motor to
the residence of the groom's parents,
at Dominion No. 1, here a sumptuous
repast was served and a most enjoy-
able evening spent. The health of
the bride and groom was eloquently
proposed by Major Leo C. Murphy,
C.C.C., and responded to by Sergt-
Major McEvoy on behalf of the young
couple. During the evening music
and song was in order, while dancing

was kept up till the wee sma hours.
Capt. J. M. Greene, Lieut. John Mur-
phy, and Sergts. J. Stone and Ed. Far-
rell, who was absent in the city, has
been by motor and special arrange-
ment to the Island to attend the ceremony;
and congratulatory speeches appro-
priate to the occasion were made by
Capt. Greene and Lieut. Murphy, both
testifying to the esteem in which the
young couple are held. The presents
received were both numerous and

costly, testifying to the popularity of
the bride and groom. Amongst the
presents was a very valuable mantle-
clock, suitably inscribed with a silver
plate from the Officers, Warrant and
N.C.O.'s of "C." Wabana Company C.
C.C. We join with the numerous
friends of Mr. and Mrs. Power in
wishing them a happy wedded life
and success and happiness and pros-
perity along life's rugged pathway.
