Armistice Dance

The G.W.V.A. is unremittling in its efforts to organize the "Armistice Dance" in a manner befitting the occasion. Special attention will be given to unique novelty dances, etc., all of which should go to make a most enjoyable evening. In this connection the "Camouflage and Confetti" dances are being specially looked after, and should prove very popular. Intending patrons are assured of a most pleasant surprise as some of the novelty arrangements are new to St. John's. It is a noteworthy fact that most of the dances held under the auspices of the G.W.V.A. have in the past won many tributes, particularly the function held in April last. Tuesday night's dance promises to eclipse anything held by the Association as yet. The Highlanders Association very generously left standing all its excellent decorations which include a bower over the gallery. The decorations will be supplemented by electrical effects. His Excellency the Governor, accompanied by Lady Alardyce, will be in attendance, and it is hoped that the various Allied Consuls will also attend. The Poppy Day collections, which have been received up to the evening of the dance, will be announced. The G. W. V. A. have waived their right to the profits from this dance, and is donating same to its Relief Fund. The ex-Service men who are in possession of uniforms may wear same with full decorations, miniatures with dress, otherwise dress is optional. It is the object of the G. W. V. A. to make the "Armistice Dance" a real success and all who can possibly attend are asked to do so.

Harbor Grace Notes.

The Methodist Sunday School held their annual Rally Day Service on Sunday last at the Sunday School, Coughlan Hall, and was very largely attended by the parents and friends of the children. The different items gone through by the scholars were most interesting and a very enjoyable afternoon was spent by all who attended. Rev. Mr. Harris, Pastor of the Church, was present and delivered a very instructive address, which was followed by a brief one from the Superintendent, Mr. Robt. French.

The S.S. Senat arrived in port on Sunday morning last with a load of fish for one of our fish dealers, and after discharging her cargo, took on board a quantity of fish for St. John's. The Senat left port again on Tuesday.

Miss Clara Mursell, of Little Bay Island arrived in town on Monday, on a visit to her brother, Mr. H. Mursell, tailor at the Bank of Nova Scotia here, and was registered at LeDrew's Hotel during her stay. Miss Mursell returned again by this afternoon's train.

Misses Muriel and Maysie Pike of Wabana, came to town on Saturday last, the former on a week's holiday, and the latter to remain for the winter with her aunt, Mrs. N. Stewart.

Miss Barbara Langmead, of St. John's, who has been visiting town, the guest of Miss Stella LeDrew, returned to the city by this afternoon's train.

Mr. McGrath, representing the New York Cordage Co., was in town during last week, in the interests of that firm.

Mr. Robert Tetterford, Jr., who has been working at Sydney, N.S., during the summer months, returned home by Thursday night's train of last week.

The Boy Scouts are holding their annual "Jumble Sale" to-night—Thursday—in the British Hall. The lads have made a fine collection from their friends and supporters, and we hope that their efforts at the Jumble Sale will prove very successful.

Miss Barbara Langmead, of St. John's, sang a very impressive and beautiful solo, entitled "Babylon," in her usual good style at the evening service, of the Methodist Church, on Sunday last, which was greatly appreciated and enjoyed by the large congregation present.

Poppy Day will be observed on Saturday, the 10th inst., and we hope that the "Poppy Girls" of our town will, at the close of the day, have received "worth while" amounts, to help along such a worthy cause. The message from Flanders' Fields has not lost its significance, but each year is remembered and kept evergreen, for still we find—

"In Flanders' Fields, the poppies grow
 Between the crosses, row on row."

Hundreds of Gem smokers have said to us, from time to time—"Why don't you pack Gems like your other cigarettes?"

To meet the wish of the many Gem Smokers we shall from now on pack Gems, wrapped in tissue, lined foil, in the regular "Slide and Shell" package. This will insure the cigarettes retaining their shape and freshness at all times, and will also prevent them becoming loose in the pocket.

We can't make the cigarettes any better, it's impossible, so we have made a BETTER PACKAGE for the best cigarettes.

Positively none better—Yes—and now we're DOUBLY positive there are none better.

Ask for Gems in the new package.

Now you can treat 'em rough, the new package protects them

Accident at Silver Cliff Mine

INJURED MAN ARRIVES FOR HOSPITAL TREATMENT.

An unfortunate accident occurred at Silver Cliff Mine, Argentina, on Thursday last, when Thomas Wall, engineer of the Power Plant, got his right arm caught in the machinery, and it was so badly lacerated that he was compelled to come to town to enter the General Hospital for treatment. He arrived by yesterday's train accompanied by Mr. W. A. McKay, the Manager. Wall formerly worked at Job's Stores, this City.

In the home where Crisco is used you will find an odorless, smokeless kitchen for Crisco does its work without odor or smoke and gives excellent satisfaction.

You may have noticed that the new silver dollars have tread like auto tires. This makes it possible for them to travel fast without skidding.
