## Hundreds of Children Enjoy Playground Doll Show

Hundreds of children enjoyed the Doll Show at the Bannerman Park Playground yesterday afternoon. Over five hundred girls exhibited their dolls in the Doll Parade which was the opening feature of the exhibition. There were seven divisions in the parade. The first was of dolls dressed in street clothes, some dressed for summer in straw hats and beautiful linen dresses, and some dressed for winter with warmly made sweaters, furs, and winter hats. The second division was of dolls in fancy dress—the Cupid Dolls, and dolls in fanciful paper dresses. The third was of dolls in character dress—the best one being the Red Cross Nurse Doll. Others in this division were Scotch Highlanders, Chinese, Swiss and Negro Dolls. The fourth division was the baby dolls in long dresses and pretty little bonnets. Next came the dolls dressed for play in rompers and gingham dresses. After these came the dolls dressed in party dresses—gorgeous affairs in silks and satins and laces. And last came the Doll Carriage division. Seventy-five girls, with their doll carriages most beautifully decorated paraded in this group. This was the hardest of all the groups to judge. Every one deserved a prize, for hours had been spent in decorating these carriages and the results were delightful. One doll was dressed for a wedding and the carriage was beautifully trimmed with white satin. Another lay back in a bed of lovely paper roses. Real flowers, paper flowers, ribbon and colored paper were all used with splendid effect. The exhibition also included doll houses and doll clothes

made by the girls themselves. Miss May Furlong was the Chief Judge. His Honor, Mayor Tasker Cook, pinned on the ribbons of the prize winners. Other officials were the Hon. S. Milley, Mr. Will Morris, President of the Rotary Club, Dr. V. P. Burke, of the Boys' Work Committee of the Rotary Club, and Mr. Lawrence Cashin. Considerably over a hundred prizes were given out, consisting of silver trinket cases, dolls' sewing boxes, bouncing dolls and miscellaneous toys, but even then one could not but pity the large number of disappointed ones who did not win a prize. The prizes were:—Dolls dressed in street clothes; first, Margaret Ryan, Bond Street; second, Bridie Tremblay, Duggan Street; third, Vera Sullivan, Circular Road. ## In Memoriam

**KENNETH RIDEOUT (Port Union).**  
We record with sadness the passing of one of the most respected of Port Union's citizens in the person of Mr. Kenneth Rideout, who was called home by God's Angel early on Sunday morning, July 6th.

He was one of the earliest settlers at Port Union, having removed from Newtown, B.B., and made his home there some years ago, and was closely identified with the P.P.U. from its inception. For many years previous Mr. Rideout sailed schooners to the Labrador, and at the time of his passing was preparing to sail to Greenspond with a cargo from the Union Trading Co. On Friday morning, July 4th, he went to his work at usual where the schooner was being loaded with salt, and descending into the hold, the vessel was shortly afterwards discovered by one of the men in an unconscious state, which was afterwards diagnosed as paralysis with loss of speech, sight and hearing.

He was taken to his home and medical attendance obtained, but he never recovered consciousness and passed away on Sunday morning as the dawn was breaking. Kind and charitably disposed he was respected by all who knew him, and his friends were many. He was always ready to extend a helping hand to those who needed it. Deceased was 64 years of age, a very industrious man and up to the time of his death was enjoying excellent health. He was laid to rest in the Methodist Cemetery, St. John's, Sunday afternoon by Rev. Mr. Bellis, and the funeral was one of the most largely attended in the locality for many years. Left to mourn their sad loss are a wife, 2 sons and 2 daughters.

A particularly sad feature was the absence of both sons. Capt. Will of the motor schooner "P. P. Union," Capt. George of the schooner "Ocell and Belle," and Miss Alma, one of the daughters, living in Boston. One son, Bert, paid the Supreme Sacrifice at Beaumont Hamel, July 1st, and only Vida, the youngest daughter, was at home. The writer extends deepest sympathy to the bereaved.

## Banish constipation, skin and stomach troubles with this fresh food

The example illustrated here is typical of thousands of similar tributes to Fleischmann's Yeast.

There is nothing mysterious about its action. It is not a "cure-all," not a medicine in any sense. But when the body is choked with the poisons of constipation—or when its vitality is low, so that the skin, stomach and general health are affected—this simple, natural food achieves literally amazing results.

Concentrated in every cake of Fleischmann's Yeast are millions of tiny yeast-plants, alive and active. At once they go to work—invigorating the whole system, clearing the skin, aiding digestion, strengthening the intestinal muscles and making them healthy and active.

Dissolve one cake in a glass of water (just hot enough to drink)

—before breakfast and at bedtime. Fleischmann's Yeast, when taken this way, is especially effective in overcoming or preventing constipation. Or eat 2 or 3 cakes a day—spread on bread or crackers—dissolved in fruit juice or milk—or eat it plain. Write us for further information or let us send you a free copy of our latest booklet on Yeast for Health. Address: The Fleischmann Company, 201 Duckworth Street, St. John's, N.F.

Fleischmann's Yeast comes only in the tin-foil package—it cannot be purchased in tablets form. All grocers have it. Start eating it today! A few days' supply will keep fresh in your ice box as well as in the grocery.

FLIECHMANN'S YEAST IS MADE IN CANADA

"I am office manager for a large mercantile corporation. Two years ago I began to develop 'nerves,' stomach trouble, insomnia, and worst of all to me, an irritable disposition towards those under me. A friend urged me to try Fleischmann's Yeast, attributing his own excellent health to its daily use. At the end of a week I was eating it with a relish, and feeling a great deal improved. Now a day never passes that I don't eat at least three cakes—using them as a between-meal snack—with the result that I am in the best of health with an eager seat for my work."

(Extract from letter of Mr. G. A. Dempsey, of Winnipeg, Canada).
