

when I put the pen into his hand and told him to write Waldgrave Whitton on the sheet of paper before him, he did it mechanically—but that was not the forged bill which was wanted.

A GLASGOW CENTENARIAN.—There lives near Morpeth, in the County of Kent, a native of Glasgow, Scotland, named Walter Galbraith, whose hundredth birthday took place on the 18th of March last. On that evening a number of his friends and neighbors got up a surprise party, and dropped in at his residence to congratulate him on his centenary birthday. The *Banner* says the veteran was in good humour, and received his visitors with hearty good will. To old men of seventy whose hair was even whiter than Walter's "frosty pow," he would say with evident delight, "I knew your father and mother years ago, when Talbot Street was first settled," and talked with zest of the pioneers of the Western District, many of whose descendants were present to hear related the stories of by-gone days. A few of his "off old tales," of which he has an inexhaustible fund, were recast for the occasion. He recounted at length his adventures during the year of 1812; his fealty to the King and Col. Ballou, particularly the latter being at that time, and for fifteen years before and after, the Colonel's miller and servant; that he was near Queen-ton Heights when Gen. Brock fell; how he was twice captured by the American troops under Gen. McArthur; and touching upon his subsequent recollections of the Revolution. A portion of the time and cake, and a proposition of other things that would have graced any table in the land, varied the enjoyments of the evening. In the meantime a congratulatory address was read, accompanied with a purse of money, and a neat edition of the New Testament—the latter the gift of Miss Kate McKimly, which speeches were made and songs sung, the best rising and replying in homely but forcible and cordial phrase, to the lavish compliments and attentions of the assembly.

Breakfast—Epps's Cocoa—Grateful and Comforting.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected season, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills. *Citizens' "The Gazette,"* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Concise and Condensed Milk).

How are you today? For not feeling well, bilious and sick headache, have been looking around for a box of *Parson's Peppermint Pills*, but our traders are all sold out.—*Country Paper.*

Forty years' experience have led to the virtues of *Dr. Wither's Balsam of Wild Cherry*, and it is now generally acknowledged to be the best remedy extant for pulmonary and lung disease, embracing the whole range from a slight cough to settled Consumption. Were it not for its *virtues* it would long since have "died, and made no sign."

A gentleman from Bethel Hill, Me., says that Messrs. Allen Bros., proprietors of Philip Allen's Print Works, R. I., were down to Bryant's Pond recently, trouting, when one of them was attacked with scientific rheumatism so suddenly, that he had to be carried from the pond to his hotel; a bottle of *Johnson's Liniment* was resorted to, and he was out next day. The *Star* says it is liked in Ottawa "official circles." Why should it not be, when it is the office holders' own paper?

WE beg to call attention to Mr. Horsman's advertisement about Ploughs. The Plough referred to is having a large demand, so great is it because that three car loads have been forwarded to Mr. Horsman to supply the farmers in this neighborhood this Spring. All pronounce them the best general purpose Plough made; as a guarantee of this we need only say that they are manufactured at the celebrated Agricultural Works of F. W. Allen, Oshawa. The price it will be observed will be kept at \$14, the old figure, until the 1st of April, when it will be raised to \$15 in consequence of the advance in iron and steel. We should therefore recommend our farmer friends to lose no time in procuring one at Mr. John Horsman's, Hardware Merchant of this town.
