NORTH BRANT.—The Brantford Expostor says:—We have been given to undertand that Mr. Baird, the Tory nomiace,
as privately expressed himself as "disusted with the political contest in North
brant,"—and in fact with "politics generilly." In the language of a correspondnt: "Its—aw—not at all as—aw—

Any organ of the human structure undly exercised is taxed at the expense of the rest. The brain burdened with care, grief or hard study, will withdraw a portion of the nervous element, which may be required to promote healthy muscular action, from the heart, lungs, stomach, etc., and thus cause them to degenerate and to become incompetent to perform their duties, so that disease follows. Comsequently, although Fellows' Compound Syrup of Hypophosphites will surely cure many diseases of these organs, patients must abstain from excessive indulgences or such habits as cause or perpetuate the malady, if they would remain healthy after discontinuing its use.

Have you inflammatory sore throat, stiff joints, or lameness from any cause whatever? Have you rheumatic or other pains in any part of the body? If so, use Johnson's Auodyne Liniment. Our word for it, it is the best pain killer in this country.

The "Canadian Monthly" for August has been kindly sent us by the publishers, Messrs, Adam, Stevenson & Co., of Toronto, and, as usual, sustains the high position attained by its monthly predecessors, both intellectually and typographically. Mrs. Leprohon opens the number with an interesting tale, "Clive Weston's Wedding Anniversary;" then we have "The Unsettled Boundaries of Ontario," by Charles Lindsey; "Alfredus Rex Fundator," by Professor Goldwin Smith; "Translation of the Hymn of the Three Arch Angels at the opening of Faust; Dr. Reinhard, from the German; an able paper on Col. Gray's 1st Volume on Confederation," by a bystander; sections from Julian Young's Diary—subject, Mathews, the Comedian; and several book reviews of current literature. For sale at the bookstores.

No intelligent mind can fall to observe how the various and ever varying wants of the community are attended to by the enterprising merchants of Guelph. Instancing Hardware, in Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of business, it is somewhat astonishing to take a comprehensive view of the variety of his stock:—Guns, Pistols, Ammunition, Fishing Tackle, House Furnishings, Floor Oil Cloths, Mats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers, Mangles, Lamps, Mechanies' tools, Besides the great assortment of Farming Implements, Scythes, Snaiths, Rakes, Forks, Hoes, Building and General Shelf and Heavy Hardware, Oils, Paints, Colors, Varnishes. One gets from this a slight idea of what it is to carry on with enterprising spirit a large Wholesale & Retail Hardware Establishment. Every want for House, Farm, Trade or Manufactory can be supplied Wholesale and retail at Mr. Horsman's. See advertisement.
