**BASE BALL.**  
**PROFESSIONAL GAMES.**  
The 3rd game of the series between the Washingtons and Mutuals, took place on the Brooklyn Grounds on Thursday. The game was stopped by rain on the 6th innings, the score being Wash. 1, Mut. 2. Field errors, Mu. 6, Wash. 5.  
The Mutuals have had to forfeit their game with the Resolutes 9 to 0 on account of their not putting in an appearance on Thursday.

The Philadelphia and Baltimore nine played their fourth game in Philadelphia on Thursday. The Philadelphia by remarkably heavy batting won in 1st and 2nd innings. The fielding of the Phil's was faultless, Fulmer excelling at s.s., while at the bat Meyerle made a clean home run in 1st-inning. The score closed Phil. 13, Balt. 3. 1b. 50m.

**LOCAL.**

The Ottawa nine have beaten the Newcastle club by a score of 15 to 3; also the Eastries of Ogdensburg by a score of 18 to 13.

**BURGLEY AND INCENDIARIES.**—About two o'clock on Tuesday morning last, the brick cottage of Mr. Wm. Guest, on the River road, Blanchard, was discovered to be on fire. Mr. Guest aroused his family and got them out with considerable difficulty. The fire when first seen was in the hall, and this fact is taken as proof of the house having been set on fire. The front window was open, and some articles of clothing were found outside. Very little was saved, as the flames had made considerable headway when first seen. There is no doubt that burglers had been at work, and after riding the house had set it on fire. There was but little money in the house at the time, four watches were in the bureau drawer in the front bed room, but it is not known whether they were stolen or not. A couple of silver spoons, it is said, were picked up near the Water street bridge early on Tuesday morning. Mr. Guest saved very little but is insured. St. Mary's Angus.

**Now FOR WALL PAPER.**—Day is selling off his wall paper previous to stock-taking. See his advertisement—regularly will do what he says.

A union temperance picnic was held at Galt on the first by the Galt and Burgley divisions. A procession was formed, accompanied by the Brantford Firemen's Band, and after travelling the principal streets, the remainder of the day was spent "under the greenwood tree."

**MR. Wm. BRISTOL**, has been appointed Head Constable of Galt, in place of Mr. McDonough, who goes to Dundas. Mr. Bristol was for some years a member of the Metropolitan Police of London, England.

**JOHN ANDERSON** has reduced the price of his wall paper 20 per cent. He has a large stock. There is a splendid chance now to those who want to paper their rooms cheaply. See advt.

**BE WISE TO-DAY.**—This madness to neglect a cough or cold, however slight. Consumption may follow, and though Dr. Hester's Balsam of Wild Cherry has frequently cured this much dreaded disease, it also invariably cures the primary diseases of the throat, lungs and chest, where other remedies fail.

**DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA.** Sandy Creek, Aug. 31st, 1873. The Compound Elixir of Phosphates and Calisaya prepared by you I have been for two years using with the most perfect success, and I assure you that in my judgment there is no preparation of its kind that can compare with it where it is applicable. With feeble, anemic women, of whom I have so many, and in cases convalescing from prostrating diseases I should not hesitate to get along without it. In Dyspepsia it acts like a charm—in fact in any of the long list of exhaustive diseases it is THE REMEDY. I am, yours truly, L. L. BUCKLEY, M.D.
