

Wesleyan Missionary Society.
The fifteenth annual general meeting of the Wesleyan Society of the Wesleyan Methodist Church in Canada, was held in the Wesleyan Church, Ottawa, on Wednesday. There was a large attendance. James Gooderham, Esq., of Stouffville, was called to the chair. The Rev. Dr. Wood read an abstract of the report, one of the most cheering aspects of which is the record of the baptism and admission into the Church in Jeddo, Japan, of two well-educated Japanese young men. These are the first fruits of the labor of the Revs. George Young and Dr. McDonald, Wesleyan Missionaries in that land of idolatry. The following are some of the principal statistics:—In British Columbia and Red River there are fourteen missions and fourteen missionaries; amongst the Indians in the Saskatchewan, Hudson Bay Territory, British Columbia and the Provinces of Ontario and Quebec, there are 40 missions and 41 missionaries. On the 161 domestic missions in Ontario and Quebec, there are 190 missionaries; to the French in Quebec, 5 missionaries; to the Germans in Ontario, 6 missionaries, and 2 missionaries to Japan, making the total number of missions 259. There are also 31 schools, supported by as many teachers, among the Indians, and 25 interpreters; exhibiting a paid agency in the mission work of 320.

The Rev. Dr. Lachlan Taylor read the financial statement, which showed a very gratifying increase on last year's income. The total receipts for the year ending 30th June last, are \$118,690, being an advance of more than \$10,000 over last year. Of this large income, \$18,328 were collected and presented to the society by the Sabbath School children. The expenditure for the year now closed exceeds the income by \$5,001.

A gratifying case of liberality to the Society's fund was announced, in the receipt from an anonymous donor, from Quebec, of the sum of \$2,200.

The report was adopted, and a resolution was very cordially adopted, expressive of the high estimate in which Dr. Taylor's services were held by the Committee and by the entire Wesleyan connection. Dr. Taylor had previously placed his resignation before the Committee, in view of his immediate departure for Europe, where he will, during the next two or three years, advocate the cause of emigration to the Dominion of Canada, under the auspices of the Government of Ottawa.

The entire amount to be allotted by the Society will probably exceed \$120,000.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London. See article in *Cassell's Household Guide*. j16-9m

PILES.—The lives of thousands are made miserable by the sufferings from this dreadful disease. If every one knew that he could be cured for from one to five dollars, how readily he would pay it. Yet such is the case. Fowle's Pile and Humor Cure is an almost infallible cure. We warrant every bottle, and if it does not cure and afford perfect satisfaction, the money will be refunded.

Special Notices.

St. Ann's, Bout de l'ale.
"I WAS FOR SEVERAL YEARS SUFFERING FROM CONSUMPTION and Night Sweats, attended with extreme nervous and physical prostration. My body was greatly emaciated, and the general impression was that I had not long to live. I began taking Dr. WHEELER'S COMPOUND ELIXIR OF PLEASANT AND CALISAYA, and improvement took place immediately. I gained in weight and strength. My Consumption and Night Sweats disappeared, and I am now in the enjoyment of excellent health. Many of my friends to whom I have recommended this Elixir have experienced equally remarkable results."
