pear in that way. I always had appeared in a theatre given over to serlous plays, but here I was confronted by people who were not accustomed to going to serious playhouses. It was well worth doing." No Hobble Skirt.

The great actress was asked about the hobble skirt.
"Imposseeble!" she cried.

would I wear one! Never!" It was the only sentence she spoke in English during the interview. Then, turning to the interpreter, she went on to tell about her gowns. "I have 33, which I am wearing in America for the first time." she said.

"I always design my own gowns; they are meant to express moods. They must be individual. I have never copied anyone else."
While Mme. Bernhardt was appearing in Old London she received a telegram announcing that she had become a great-grandmother. She said at that

"It is the crowning glory of my While she was on the ocean coming to America she celebrated her sixty-fifth birthday, and the captain gave

her a dinner.

Care Free as a Girl. Although Mme. Bernhardt already is a great-grandmother, she is as blithe and care free as a girl and looks a woman of, say, 40. Her complexion is still clear, her blonde head shows no trace of gray and her step is as

wonderfully light and graceful as ever. Work has no terrors for this woman; she fights off the years, she says, by keeping at work. New interests, fresh experiments, and an unconquerable zest for perfection-these keep

her young. At an age when most artists have given over attempt to create new roles, Mme. Bernhardt throws herself with gusto into the mastering of fresh parts She delights in nothing so much as portrayals of youth, its soaring aspiration, its bright courage, its pathetic

Rostand's "La Bois Sacre" appealed to her irresistibly, and she decided that at 65 she would essay it.

The great actress seemed pleased as a child at her reception. It was as if she had never come to America to receive the adulation of crowds before. Everything she said showed that she was relishing the arrival as if it had been a novel instead of a very old experience. She seems to have the gift of enjoying and that might account for something of her youthful appear-

Croup is most prevalent during the dry, cold weather of the early winter months. Parents of young should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes, and it has never disappointed them. Sold by

That Cold Room ROS

on the side of the house where winter blasts strike hardest always has a lower temperature than the rest of the house. There are times when it is necessary to raise the temperature quickly or to keep the temperature up for a long period. That can't be done by the regular method of heating without great trouble and overheating the rest of the house. The only reliable method of heating such a room alone by other means is to use a DERFECTION

OIL HEATEN Absolutely smokeless and odorless which can be kept at full or low heat for a short or long time.

without smoke or smell. An indicator always shows the amount of oil in the font. Filler-cap does not screw on; but is put in like a cork in a bottle, and is attached by a chain and cannot get lost.

Four quarts of oil will give a glowing heat for nine hours.

An automatic-locking flame spreader prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that it can be cleaned in an instant. The burner body or gallery cannot become wedged, and can be unscrewed in an instant for rewicking. Finished in japan or nickel, strong, durable, well-made, built for service, and yet light and ornamental. Has a cool handle.
