Yesterday.

Yesterday saw the largest crowd of the "Trade-in-London Week."

Every train coming into the city brought a large number of shoppers. All the merchants in the association report that they did a great deal of consings of ar.

Port Stanley was formerly a great for this parain to the United States in ship grain to the United States, business fell off, and today it is just beginning to find itself after many years of inactivity. With several unillions of people within a short disance of that port, all needing farm produce, it can readily be seen that an excellent market can be developed."

The announcement of a fast line of boats is creating much interest throughout the city, and a number of businessmen are considering the adantages of connection with large centers of population to the south of this little more favorable we would have lead the city.

Yesterday saw the largest crowd of the "Trade-in-London Week."

Every train combing into the city before of shoppers. All the merchants in the association report that they did a great deal of the curiness of safe and the merchants in the association report that they did a great deal of the campaign so far.

The refund clerk at the Home Bank had a very busy time, and was kept had a very busy time, and

It is accepted as absolute truth, and urther particulars are anxiously NOT FOR

Already Subscribed.

It is certain that several Londoners over been approached in connection with the project.

One wealthy citizen has had it blaced before him, and he expressed his willingness to subscribe for a considerable amount of stock in the consern.

e an easy matter to dispose of a great eal of the stock right in London.

[Canadian Press.]

Boston, April 7. — While assisting to carry the body of a woman who had committed suicide by jumping into the Charles River basin from the West Boston bridge last night, Patrolman Timothy W. Hurley lifted the sack placed over the face and found the woman was his wife, Mrs. Mary E. Hurley. 26 years old. The couple had been separated for some time. Despondency is believed to have caused Mrs. Hurley's act.
