AMALGAMATION INDORSER

Agricultural Loan and Savings Company Held Meeting Yesterday.
At a meeting of the shareholders of the Agricultural Loan and Savings Company, held yesterday afternoon, it was decided by a very large majority to accept the offer of amalgamation with the Ontario Loan and Debenture Company.

For some time the deal has been discussed by the shareholders, and although some opposition developed for a time, it was not very extensive, and yesterday the resolution favoring the amalgamation met with practically no opposition.
Next week the shareholders of the Ontario Loan will vote on the same proposition.

Sacred Concerts.
There will be a meeting on Tuesday next to decide whether the sacred concert shall be continued in Victoria Park on Sunday. There is only \$12 in the treasury now, and the concert to be given on Sunday night will cost \$28, so that more funds are badly needed.
Flower Show Closes.
The August flower show of the Horticultural Society closed last night in the city hall. It was one of the most successful ever held by the society, and the flowers held their beauty and freshness remarkably well throughout the show. Two late exhibitors, Mrs. Beecher and Rev. J. C. Pilkey sent in some very fine plants yesterday afternoon, the former contributing Lilium Auratum, and the latter an exceptionally fine Colusa.

CORRESPONDENCE

Conditions at Port Stanley.
To the Editor of The Advertiser:
Have just made a visit to our lakeside summer resort, Port Stanley, and take this opportunity to corroborate the many just criticisms that have been made concerning the old Fraser Heights picnic grounds, and things in general in connection therewith, during the entire season.
The insanitary condition in which the hills and beach are kept is most disgraceful, and certainly a disgrace to the city.
The well on the hill is one of the largest and best producing springs in the Port, and yet for several days it has been out of commission, simply because of the lack of a few minutes attention of those responsible. The result is that persons have been unable to obtain any water on the hill.
There has been altogether too much leniency extended this season, and London has stood for disgraceful conditions at the Port too long already. Anyone can soon discover the evident meaning of such a state of affairs.

A SMALL AUDIENCE HEARD MR. HAWKES
Meeting in the Auditorium Last Night Was Slimly Attended.

THE TEXT OF HIS SPEECH
Opposed Reciprocity, and Formed a Branch of His League Here.
Before an audience of perhaps 150 people, Mr. Arthur Hawkes, editor of the British News of Canada, and organizer of the so-called "The Canadian National League," denounced the reciprocity pact, and after speaking in the Y. M. C. A. Auditorium last night. The meeting was presided over by Captain Booker.
After referring to the very small audience and making a passing reference to the criticisms which he has received through some of the Canadian newspapers, Mr. Hawkes opened his address by calling attention to the vastness and natural and scenic wealth of Canada, and then turned to the history of the nation. He declared that the British-born Canadian have reason to be proud of the land of their birth, but the British-born Canadian has reason, on the other hand, to be proud of the historic traditions and wealth of the British Isles.
Native Canadians had no right to speak slightly of the immigrant. Immigration, said the speaker, had made Canada.

BEING KNOCKED AROUND FROM POST TO PILLAR
No. 2 Committee Want to Again Move Children's Aid Society.
Owing to the absence of Ald. Mitchell and Mayor Beattie, only a minority meeting of the board of works was held last evening, with Ald. Morgan acting chairman.
A property owner on Cabell street presented a petition asking that something be done to improve the condition of the roadway on that street, and the matter was left in the engineer's hands, and he was instructed to look into it for further information.
Mr. Thomas Knowles, of Weston street, informed the meeting that the residents of Weston street were anxiously awaiting the promised improvements on that street. He was told that the work would be rushed ahead as soon as possible.
The following afternoon a tour of the upstairs rooms in the city hall was made in an effort to locate a suitable place for a committee room for No. 2 committee, whose rooms have been vacated by the Liberal party. It was recommended that the present quarters of the Children's Aid Society be vacated, and the committee room, so that No. 2 committee may use the vacated room. This was thought to be the best way out of the difficulty.

MARINE
Amherstburg, Aug. 31.—The schooner Keenlake, one of the oldest sailing vessels on the lakes, ran on a rock pile near the mouth of the Detroit River yesterday, and was practically wrecked. The crew of three escaped in a small boat. The Keenlake was owned by Denis Renaud, of Belle River, and was used as a hand carrier.

THE MARTIN INQUIRY.
Midland, Aug. 31.—Capt. Cole, of Colingwood, was here today making inquiry into the loss of the tug Martin. The evidence taken corroborated the last report published.

A message was received here today that one of the bodies drowned off the Martin was found by the crew of the steamer Chamberlain, 23 miles off the Western Islands. On inquiry it was learned that the body was that of a boy, perfectly naked. The description given does not correspond with any of the tug's crew.
