Victory Over Cubs In Twelfth Puts Dodgers Up One Point Behind Giants

WHEAT'S DOUBLE BRINGS WIN IN THIRD OVERTIME FRAME

Brooklyn Beats Chicago 2--1 in Only Game in National.

HITS ARE FEW

Associated Press Despate Brooklyn, Sept. 22.—Zach Wheat's double to right center in the twelfth inning scoring Mitchell from first, gave Brooklyn a 2 to 1 verdict over Chicago in the opening game of the series here today. Bill Doak, twirling for the Dodgers, allowed but five hits and turned in his tenth victory. 'The Dodgers gained half a game on the Giants by winning today while the New York Club was idle because of rain.

They have crowded the Yankees back two full games. There is the toughest

kind of mountain to overcome with only two more series to be played. In the National League race the Pittsburgs have done one-third of their part well. Of the six very important games in the Brooklyn and New York twin series they have won two from Brooklyn and lost one. Presuming they are strong enough to win two from New York, they will still have a task before them to win the pennant if the Brooklyns win from Chicago in the games remaining for them to play.

Rain is an element that may play a big part in settling the championship in both leagues. If one or more of the important contests in which the leaders are scheduled should have to be called off, it undoubtedly will figure in the final standings. The New York Giants would doubtless benefit most if the Pittsburg series should be rained out, as they are heardly in shape to make their best showing against Pittsburg with two of their stars, Frisch and Groh, out of the game, due to injuries.

Cubs, even if they should clean up the Giants. The Pirates today are faster on the bases than either New York or Brooklyn, but they are not batting better than the Giants and they are inclined to be a little unsteady in the field. It is their swift attack, including
