OPERA HOUSE WEDNESDAY.
St. Michael's R. C. T. A. Society is giving a strong concert to present 'A Brother's Love' in the Opera House Wednesday night. This company put lifts place on at Chatham and the local papers spoke very highly of the production.

ACCIDENT TO ENGLISH MAIL.
The English mail special, which passed through here Friday, met with an accident on Saturday morning at St. Simons, a station a few miles east of Riviere du Loup, and was delayed about four hours. The accident was caused by a couple of cars breaking down.

P. O. IRREGULARITIES.
A. Elliott, subscriber complains that although his children called at the post office there every mail day during March, no copies of the Graphic were delivered there until March 16th when four copies were handed out. There must be something loose with some of the country offices as these papers leave here regularly each Wednesday and Friday mornings and should have no trouble in reaching their destinations. We would ask the post masters to kindly be as prompt as possible in forwarding the Graphic.

A Busy Trip

I. C. R. Police Inspector Duncan, Noble of Campbellton, returning from Moncton, had a busy passage on Saturday's local express. At Nash's Creek as the train was moving by, a man under the influence of liquor, made a dash for one of the platforms and he might have been thrown beneath the wheels but for the prompt action of the inspector, who pulled him on board.

At Nigado, another man who had previously raised a disturbance on the train, was arrested by the inspector.
