European Intelligence.

From Willmer & Smith's European Times,

fun. There may be, probably there is, some exaggeration in the accounts of starvation and destitution; but after making a liberal discount his return from a sixtist the Earl of Loysdal for every imaginable species of langenuity on- at Whitehaven Castle, and subsequentially this head, enough "remains to show that in, Edinburgh, was seized by an illness of severy ratious districts the poor people are in wretch ious a character that the greatest apprehensions ed plight. But while there is so much misery are gntertained as regards the result.

St. Andrews, Wednesday, Nov. 25, 10 stirring, the evil is increased by the conduct of the people themselves. The charitable in A party of five Kaffirs arrived in Liverpoo most favourable circumstances is annual marked feature in the character of the nation. In putting their shoulders resolutely to the wheel ed the extraordinary age of one hundred you nent, than they were in the habit of receiv. Leith, alout 70 years ago, and of ing from private individuals !

The malitary were called out, and

policy of the Government as regards the meass, upon many important articles during the nien have passed a series of resolutions, whiche 600 the actual loss to the state, even in to say the least of them, are exceedingly my first year, very little exceeded £500,000. V
