great effect upon the blood and sinuous fluids of horses. It is at those changes they GEORGE F. STICKNEY. require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bods, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these with the same feed. powders is direct upon all the secretive glands, and therefore have the same effect glands, and therefore have the same each upon the Borse, the Ox, the Ass, and all Herbiverous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them.
