

FOR TEACHERS OF THE LITTLE ONES

Review Subject—Jesus the Life and Light of the World.

Repeat—

"For His coming meant so very much
To a dark world lost in sin,
God opened the gates of the heavenly world,
And His light and love shone in.

The light that fell on the shepherds then,
The star that guided the seers,
Were only the types of the blessed beams
That have shone through all the years."

Review—Our Lesson stories have been written by the beloved disciple, John. In our Golden Text, he tells us why they were written, John 20 : 31.

In our Lessons Jesus is called :

THE BREAD—THE WATER—THE LIGHT

Show that, as our body cannot live without these things, our souls cannot live without Jesus.

What Jesus is to me—Lord Tennyson, the great English poet, was once walking in his garden with a friend. The friend asked, "What do you think of the Lord Jesus Christ ?"

The poet stopped, and pointing to one of the tall garden flowers which was opening its buds to the warm sunlight, he said, "What the sun is to that flower, Jesus Christ is to me."

All repeat—

"I looked to Jesus, and I found
In Him my star, my sun;
And in that light of life I'll walk
Till travelling days are done."

Something to Draw at Home—
Draw a star and sun, and print
JESUS THE LIGHT OF LIFE.

Something to Remember at Home—To believe in Jesus.
