HEALTH AND HOUSEHOLD HINTS.

Chloroform is excellent for carpet bugs.

A tablespoonful of lime water to a pitcher of milk is very beneficial.

Tumblers that have contained milk should never be washed in hot water, as it clouds the glass permanently.

Velvet that has become crushed may be restored by placing the lining side of the dress over a basin of hot water.

After knives have been cleaned they may be brilliantly polished with charcoal powder. Rub spoons with salt to remove egg stains.

Coffee spots on a damask cloth may be removed by a mixture of warm water, the yolk of an egg and a few drops of wine. After the application the cloth should be washed, when the stain will be found to have disappeared.

To make a really delicate dish out of that coarse vegetable, cabbage, it should be sliced and simmered slowly in milk, enough to cover it, over a slow fire, for two hours. Add a lump of butter and a little nutmeg or mace, as preferred, and serve hot.

For a cold in the head when first felt take from ten to fifteen drops of camphor on a lump of sugar; a very simple remedy, but the most effectual known to medical science. Never take it in water; it precipitates a gum which is an irritant to the stomach and causes vomiting.

Pineapple and Edam cheese should be cut so that the top will fit on again, and thus exclude the air and keep the cheese in good condition. A large piece of another kind of cheese is preserved by wrapping it well in a large square of cheesecloth, dipped and then wrung out of cider vinegar.

Chocolate Marble Cake.—Two cups of sugar, one cup of butter, one cup of milk, six eggs, three cups of flour, one teaspoon of baking powder, one teaspoon of vanilla. Take one-third of this mixture and add one-half a cake of chocolate grated. Put a thin layer of the white in the pan, then alternate spoonful of the light and dark mixture; finish with a layer of white.

For Chapped Hands.—Put two ounces of camphor and four ounces of White Rose on any favorite perfume into six ounces of glycerine, and after washing the hands perfectly clean, apply the preparation while they are still wet, and then dry carefully and thoroughly, as if they had only been washed. If this is done several times during the day, one may wash dishes or put coal on the grate, if necessary, without fear of roughening the lovely silk or spoiling the dainty embroidery.

Farina Pudding.—For this pudding there are needed: One quart of milk, four heaping tablespoonfuls of farina previously soaked in a little cold water for one hour, one tablespoonful of butter, one teaspoonful of salt, two eggs. Scald the milk in the double boiler; stir in the salt, then the soaked farina, and cook steadily three-quarters of an hour. Add the butter; take a cupful of the boiling mixture, and beat into the whipped eggs. Put back into the saucepan, stir for two minutes and pour into a deep open dish. Serve with cream and sugar.

Fricassee.—Cut chicken or any other fowl into pieces, and allow it to lie in cold salted water for thirty minutes. Take out and dry with a towel. Rub each piece with a little black and red pepper, and dredge them slightly with flour. Have two tablespoonfuls of ham fat boiling hot in the sauce pan; brown the chicken in this. When well-browned on both sides, put in a few rings of onions, and when these are pale brown add a pint and a half of hot water, celery, salt and pepper to taste. Cover closely and cook gently until the chicken is tender. The Creoles color this gravy very often with Chili pepper, which gives it a fine red color, with out any burning taste of pepper proper.
