TO PARENTS, TEACHERS, &c.

ATTENTION is respectfully invited to the columns of **THE YOUTH'S PRECEPTOR**,—a periodical designed expressly for promoting the moral and intellectual improvement of the young. The present Volume, which was commenced in February last, having now reached the 12th No., will afford the best means for judging of the general character of this publication; and the exceedingly low price at which it is furnished, places it within the reach of every parent, who may be desirous of procuring for his children a paper devoted exclusively to their instruction and entertainment. Its object is to co-operate in the general movements which are now being made to facilitate the progress of popular education—by exciting in the minds of the young an interest in such departments of learning as are of the most practical utility, and by stimulating them to the cultivation and exercise of those moral principles which are the prominent features of an estimable character.

Clergymen, School Commissioners, and Teachers, are requested to act as Agents for **THE YOUTH'S PRECEPTOR**—by forwarding subscriptions to the office of publication, and otherwise increasing its circulation in their respective communities.—The Youth's Preceptor is published once a fortnight, at the office of W. Cunnibell, 37 Granville street, Halifax, N. S. It is printed in a neat quarto form, convenient for preservation or binding—each No. contains 21 columns.
