## UNDERWOOD'S CARBON PAPERS and RIBBONS

It certainly will stand looking into. It's just as good as any offer you ever had, and better by a lot than a great many. Briefly outlined the proposition is this:

We offer you special inducements to specialize on our brands of carbon papers and ribbons. Our idea is to push the sale of these goods throughout the whole Canadian territory, and in order to do this properly we have got to get live agents. You are not taking any chances in handling Underwood goods. They have the prestige of years and the advantages of widespread publicity to aid you in their sale. These are some of the positive selling factors in a proposition, which in justice to yourself, you cannot afford to ignore.
