ONTARIO OPTICAL INSTITUTE

Classes in Optics and Refraction commence on the second Tuesday of each month.

The teaching embraces everything necessary for an optician to intelligently and satisfactorily fit spectacles.

Students are welcome to remain until they have grasped the necessary information—and to those passing the examination a handsome diploma is presented gratis.

We claim the only thorough course given in Canada and at least equal to any in America.

The Ontario Optical Institute Diploma is always an evidence of the ability of its possessor to do his work properly.

For further information and recommendations from former students apply to
